ACKNOWLEDGEMENTS

First of all, I thank Almighty God for giving me the courage and ability to start and finish this thesis.

I consider it my privilege to have completed this work under the guidance and supervision of Prof. Zafar A. Siddiqi, Department of Chemistry, Aligarh Muslim University, Aligarh, who not only introduced me to the fascinating world of chemistry but also despite his busy schedule, gave me the inspiration and liberty to carry out this work. He has been a constant source of strength and inspiration to me throughout the execution of the research work.

My special thanks and appreciation go to UGC, New Delhi for granting me scholarship to carry on my higher studies. I am also grateful to the Chairman, Department of Chemistry, A.M.U., Aligarh for providing the necessary research facilities. My sincere thanks are also due to Dr. D. Das, UGC-DAE Consortium for Scientific Research, Kolkata for $^{57}$Fe Mössbauer studies, Chemistry Department, IIT Kanpur for recording Single Crystal X-ray data, Dr. S. Kumar for solving crystal structures and Dr. Iqbal Ahmad, Department of Microbiology, AMU, Aligarh for biological studies.

Special thanks are due to my dear seniors Dr. Mohd. Khalid, Dr. M. Shahid, Dr. S. Noor and colleagues Ms. Armeen Siddique and Mr. Prashant K. Sharma for their company and encouragements.

I feel pleasure to express my thanks to my caring roommate Ms. Hena and my intimate friend Ms. Aradhna for their cooperation, encouragement and moral support.

I appreciate the support and love by all my friends specially Dr. Maryam, Farha, Zehra, Gauhar, Asma, Seema, Kavita and Shaheen.

My greatest debt of gratitude and appreciation is to my parents Mr. Yogendra Kumar Yogi and Mrs. Munni Devi who have always encouraged and guided me to be independent & never tried to limit my aspirations. I would be failing in my duty if do not express my thanks to my brothers Jitendra Kumar, Dheerendra Kumar and priyanka bhabhi.

Last but not least, I would like to thank my sister Mrs. Archana Singh, My Brother in law Mr. Vikram Pratap Singh whose help, courage and inspirations are behind my achievements.

(ANJULI)
