

LIST OF PUBLICATIONS

1. Theoretical evaluation of ultrasonic velocity in binary mixtures of alkanols with diethyl malonate.
Physical chemistry An Indian journal., **11(2016) 006.**
2. Theoretical velocities and viscosities of binary mixtures of diethyl malonate with alkoxyalkanols.
Der pharma chemica., **8 (2016) 209.**
3. Theories of ultrasonic velocities and their application in the binary liquid mixtures
Der Pharma Chemica., **7 (2015) 157.**
4. Theoretical approach of ultrasonic velocity and viscosity in binary liquid mixtures of dimethyl carbonate and isomeric cresols in the assessment of molecular interactions.
Elixir Applied Chemistry., **99 (2016) 43175.**
