Acknowledgements

Firstly, I bow in deep reverence to Almighty Allah, the most beneficent and merciful for bestowing and blessing me during the completion of this Thesis. After Almighty, I must admire to our last and great Prophet, Huzoor-e-pak (S.A.W.) whose life (as a model) provided me the determination and patience to continue my hard work especially in the period of doubt and despair.

I have immense pleasure to express my sincere gratitude and indebtedness to my supervisor Dr. Nadeem ur Rehman, Assistant Professor, Department of Mathematics, Aligarh Muslim University, Aligarh for his invaluable support and able guidance from a very early stage to this research. His positive attitude and friendly behaviour always gives me an extraordinary experience throughout this work and boosting up my panache and prodding me to accomplish this task. His continuous encouragement and invaluable suggestions instilled me with a morale needed to complete the work. The critical comments, he rended during discussion have gone a long way in my understanding and presentation of the contents of this thesis. His truly scientific intuitions has made him as a constant oasis of ideas and passions in Mathematics, which exceptionally inspire and enrich my growth as a research scholar in Mathematics.

I feel honored to put on record my profound thanks to Prof. Murtaza A. Quadri, former Chairman Department of Mathematics, Aligarh Muslim University, Aligarh who always has been the source of inspiration for me.

I am deeply indebted to Prof. Mohammad Ashraf, Department of Mathematics, Aligarh Muslim University, Aligarh for his incredible suggestions and encouragement all the time to write my thesis, inspite of his multifaceted busy schedule. His meticulous guidance and stimulating attitude helped me to perfection.

I am highly grateful to Prof. Zafar Ahsan, Chairman Department of Mathematics, Aligarh Muslim University, Aligarh for providing me sophisticated equipments and requisite facilities for carrying out this work in the department.

I would like to acknowledge my thanks to Prof. Afzal Beg, Dr. (Mrs.) Asma Ali, Dr. Rais Ahmad and Dr. Shakir Ali, Department of Mathematics, Aligarh Muslim
University, Aligarh for their kind support at all the stage of my work.

I shall fail in my duty if I do not express here my deep sense of indebtedness of my parents Mr. Irshad Husain and Bilquis Bano for their support and willingness to educate me and supported spiritually throughout my life. I am also immensely indebted to my sisters Ms. Zeba Afreen and Ms. Nida Fatma, and my brother Mr. Abu Shuaib Ansari, for their love and whole hearted support.

It is my pleasure to express my deep sense of appreciation to all my friends especially Dr. Mohd. Bilal, Dr. Akhlad Iqbal, Dr. Mohd. Dilshad, Mr. Mohd. Akram, Mr. Ahmad Asim, Mr. Musavvir Ali, Dr. Khalid Rafat Khan, Mr. Noor Alam, Mr. Mohd. Shuaib, Mr. Mohd. Furkan, Mr. Izharuddin and Mr. Kamran Khan. They have helped me all the time and always supported my aspiration with ease and love at various stages of this work.

I extend to my thank to Dr. (Mrs.) Almas Khan, Ms. Faiza Shujat, Ms. Himanshu Gupta, Ms. Tarannum Bano and Ms. Nazia Parveen. They have helped me stay same through these difficult years. Their support and care helped me overcome setbacks and stay focused on my goal. I greatly value their friendship and I deeply appreciate their belief in me.

I would like to express my gratitude to all my seniors and colleagues especially Dr. Mujeeb ur Rehman, Dr. Radwan Mohd. Al Omary, Mr. Malik Rashid Jamal, Mr. Asif Khan, Mr. Aslam Siddiqui, Mr. Wajeeh Ashraf, Mr. Shuja Haider Rizvi, Mr. Fahad Sikander, Mr. Phool Miyan, Mr. Nadeem Ahmad Dar, Mr. Shahoor Khan and many more, for their generous help, suggestions, co-operation and moral support. I feel shortage of words to pay thank to them. Many thanks go to Non-teaching staff specially Mr. Zakir Raza, Mr. Aabid, Mr. Zaki and Mr. Mustaqeem for his encouragement and for providing me help and support.

Finally, I express my indebtedness to my prestigious, glorious and esteemed Institution, Aligarh Muslim University and also thank to UGC for providing me financial assistance in the form of Major Research Project Fellowship (UGC, India, Grant No. 36-8/2008(SR)) during my Ph.D. programme.
