

## ACKNOWLEDGMENT

I would like to express my deep appreciation and gratitude to the wonderful people for their contributions and support given to me during the period I have been working for my doctoral work.

First and foremost, my profound personal regards to my doctoral supervisor **Prof. B. Kesva Rao** (Chairman - BOS, Department of Chemistry, University Collage of Sciences, Acharya Nagarjuna University) for his unwavering guidance, strong motivation, encouragement and support which boosted my self-esteem and taught me to feel more responsible. I truly appreciate him for the freedom given to me to explore new ideas and his ability to keep me focused in the right direction. I have gained enriching experience under his guidance, including improving writing skills in the preparation of manuscripts. He has always been very open to any questions and concerns. Further I would like to express my gratitude to Smt. Meher Padmakumari for her constant and affectionate encouragement.

I deeply acknowledge all the staff members of our division for their valuable suggestions and constant encouragement throughout the entire phase of my doctoral work.

It gives me an immense pleasure to humbly place on record my deep sense of gratitude, indebtedness and heartfelt thanks to Acharya Nagarjuna University Chemistry staff, Dr. D. Ramachandran, Dr. M. Subba Rao, Dr. B. HariBabu, Dr. Y Sunandamma, Dr. Anitha .C. Kumar, Dr. R. Ramesh Raju and Dr. K. Balamuralikrishna for their constant encouragement.

I am very much thankful to the Librarian and to all other Assistant librarians of our Dr. B. R. Ambedkar Memorial Library, University Library of Acharya Nagarjuna University and also to the Librarian of IICT, Hyderabad for allowing me to do the literature work of my thesis throughout the period.

I am greatly indebted to Dr. S.Chandrasekhar (Director, CSIR-IICT, and Hyderabad) and all the former Directors of the Institute, who have permitted me to get the required spectral data of my compounds from IICT.

I express my sincere thanks to Dr. R.B.N. Prasad (Principal Scientist, IICT) Dr. K.V. Padmaja (Sr. Scientist, IICT), Dr. M.V.L. Karuna (Scientist, IICT), Dr. C.Ganesh Kumar (Sr. Scientist, IICT) Dr.UVM. Sharma, Dr. A.V.S. Sharma (Sr. Scientist, IICT), Dr.Jagadesh (Sr. Scientist, IICT), Dr. R. Nageswara Rao (Principal Scientist, IICT) for their help during my research work.

Special thanks to all my group members P. Asha Bhanu, G. Usha Rani and G. Swapna who have been there all the while in the Laboratory and also shown their excellent cooperation in the participation of several National/International conferences during my research period.

My language skills are not enough to place my sincerest thanks to My Husband S.Vijaya Bharath Reddy, My Kids S.Ankit Reddy, S.Akhilesh Reddy, My in Laws S.Ramanjaneya Reddy, S.Gowridevi, My Cousin RG. Amar, My aunt G. Lakshmi Nandgaon My Brothers V.Dharma Reddy (Dubai) and V.Uday Bhaskar Reddy.

At this juncture of my career when I look back and see, I always feel an unseen force guiding me through all difficulties and crisis, a blessing and touch, which is always felt by my heart, definitely, my father Shri V. Chenna Reddy and my mother Smt V. Lakshmi efforts have brought me to this stage. Their blessing and care always gave me new enthusiasm to do something more with perfection.

Last but not the least; it gives me immense pleasure to express my heartfelt gratitude to Smt & Sri M. Shiva Prasad for his constant moral encouragement.
