

ACKNOWLEDGEMENTS

At this moment of accomplishment I am greatly indebted to my research supervisor and mentor, **Dr. C. Sebastian Rajasekaran**, Associate Professor (Retd), Department of Botany, Bishop Heber College, Tiruchirappalli, who accepted me as his Ph.D student and offered me his mentorship, motherly love and care. This work would not have been possible without his guidance and involvement, his support and encouragement on daily basis from the start of the project till date. I sincerely thank him from bottom of my heart and will be truly indebted to him throughout my life time.

No research is possible without infrastructure and requisite materials and resource. For this I extend my sincere thanks to **Dr. D. Paul Dhayabaran** Principal, and the Management of Bishop Heber College for the support for providing me with the requisite institutional facilities throughout my research tenure.

I express my heartfelt sincere thanks to **Dr. B. S. Swaroop Rani**, Joint Controller of Examination, **Dr. F. Samuel Christopher** (Retd), Head and Associate Professor, **Dr.(Mrs).S.Kalavathy**, Associate Professor and Research Supervisor, **Dr. V. Anand Gideon**, Head and Associate Professor, Department of Botany, Bishop Heber College, Tiruchirappalli for spending their precious time in going through my research work at various stages giving useful expertise and suggestions and also for the constant and continuous support and for blessing me with pleasant atmosphere in the work place.

I am grateful to **Dr. Jesudoss Manalan**, College Librarian (SG), Bishop Heber College, Tiruchirappalli, for his encouragement and support to enrich my research work.

My sincere fruitful thanks to **Dr. L. Gnanasekaran**, (Doctoral committee member), the principal, (Retd), Government Arts & Science College, Karambakudi, Pudukkottai-622 302, and **Dr.A.Egbert Selwin Rose** (Doctoral committee member) Associate Professor, PG

& Research Department of Botany, St. Joseph's College (Autonomous), Trichy- 620 002, encouragement for their all the support given to me in my carrier and research work.

In a special way I offer my thanks to research scholars from our department and also from other departments and the lab attenders for their great support.

I acknowledge the people who mean a lot to me, my parents, **Mr. Arumugam R** and **Mrs. Krishnaveni Arumugam**, for showing faith in me and giving me liberty to choose what I desired. I salute you all for the selfless love, care, pain and sacrifice you did to shape my life. Although you hardly understood what I researched on, you were willing to support any decision I made. I would never be able to pay back the love and affection showered upon by my parents. Also I express my thanks to my sister **Mrs. Tamilselvi Venkateswaran** for her support and valuable prayers.

I owe thanks to a very special person, my soulmate, **Kowsalya B** for her continued and unflinching love, support and understanding during my pursuit of Ph.D degree that made the completion of thesis possible. You were always around at times I thought that it is impossible to continue, you helped me to keep things in perspective. I greatly value his contribution and deeply appreciate his belief in me.

It's my fortune to gratefully acknowledge the support of my friends, **Dr. Nidheesh K S, Karthikeyan V, Dr. Maruthamuthu, D. and Jegatheeswaran R** for their support and generous care throughout the research tenure.

I thank once again to all who have directly and indirectly related to my work and their prayers and blessings I request now and always. I thank the Almighty god for giving me the strength and patience to work through all these years so that today I can stand proudly with my head held high.
