ACKNOWLEDGEMENT

With immense pleasure, I record my profound gratitude and indebtedness to Prof. M.A. Ittyachen, Director, School of Pure and Applied Physics, Mahatma Gandhi University, Kottayam for the inspiring guidance, unceasing encouragement and personal attention given to me throughout the course of this work.

I express my sincere and heart-felt thanks to Dr. Abdulkheader, Reader, School of Pure and Applied Physics, Mahatma Gandhi University for his whole-hearted co-operation and encouragement at different stages of this work, without which this would not have been completed.

I also express my profound gratitude to Dr. K.S. Raju, Reader, University of Madras and Prof. Madhusoodhanan Nair, School of Chemical Sciences, Mahatma Gandhi University for their timely help and fruitful discussions in the course of this research work. My sincere thanks to Dr. K. Ninan, VSSC, Tiruvananthapuram, and Prof. O.N. Srivastava, Banaras Hindu University, Varanasi for their timely help in the various analyses.

I acknowledge with thanks the help extended to me by the esteemed institutions like Regional Research Laboratory, VSSC, Thiruvananthapuram, Indian Institute of
Science, Bangalore, Indian Institute of Technology, Madras and Cochin University during the course of my work.

I take this opportunity to warmly thank my research colleagues in the School of Pure and Applied Physics and School of Chemical Sciences, Mahatma Gandhi University, and in the department of physics, Kerala and Cochin Universities for all the effective assistances rendered during the course of the work.

I extend my thanks to all the teaching Staff members of Pure and Applied Physics, Mahatma Gandhi University for their advice and encouragement.

I acknowledge the help and co-operation received from the technical and office staff of the School of Pure and Applied Physics.

I express my gratitude to the Principal and my departmental colleagues, CMS College, Kottayam for their co-operation and encouragement in this work.

Finally, I express my thanks to M/s. COPY WRITE, Ettumanoor for the neat typing and xeroxing of this manuscript.
