ACKNOWLEDGEMENT

First and foremost, I would like to express my deepest and warmest gratitude to my supervisor Dr. P.Thangaraj, Professor and Head, Department of Computer Science and Engineering, Bannari Amman Institute of Technology, Sathyamangalam, for his invaluable guidance and motivation throughout the course of my research work. Without whose constructive criticism and untiring support, I would not have reached the milestones where I stand now.

It is with immense gratitude that I acknowledge the support and help of my Committee member Dr. R.Asokan, Principal, Kongunadu College of Engineering and Technology, Namakkal, for his kind co-operation to the completion of this research work.

I thank the authorities of Mother Teresa Women’s University, Kodaikanal, who granted me permission to pursue this Ph.D Programme.

This dissertation would not have been possible without the guidance and the help of several individuals who in one way or another contributed and extended their valuable assistance to complete this study.
