

ACKNOWLEDGEMENT

I submit my gratitude to **God Almighty**, Who lifts the poor from the dirt and takes the helpless from the ashes, for having strengthened me for the successful completion of this thesis.

I express my sincere gratitude to my supervisor **Dr. K. Ramamathan** for his valuable guidance and support throughout this research. I am also indebted to my former guide **Dr. D. Mutharasu** and Joint supervisor **Dr. N. Sankara Subramanian** for their invaluable support and profound enthusiasm towards this research work.

I wish to express my sincere heartfelt thanks to the **Management Thiagarajar College of Engineering** for providing outstanding facilities and I owe to **Dr. V. Abhaikumar**, the Principal Thiagarajar College of Engineering for his sustained support, admirable charisma towards young researchers and inspiring thoughts. I am also indebted to **Directorate Power Supply Systems, Research Centre Imarat** for their financial aid throughout my research work.

I express my sincere thanks to **Mrs. R. Vasuki**, Head, Department of Physics and other staff members of Department of Physics for their continuous and consistent encouragement. I thank my friends and fellow researchers **S. Shanmugan, P. Rajamohan** and **S. Deepak Ram Prasath** who have enthused me in my research efforts and shouldered me in needy times. I express my heartfelt gratitude to my Mother, Brother and other members of my family, for their valuable support, sacrifice and love in all my endeavours.
