LIST OF TABLES

Table 1.1: Showing distribution of the overall sample: 21
Table 3.1: Enrolment of students according to class and sex in Phichit province (Academic years 2000 and 2001) 52
Table 3.2: Enrolment of students according to class and sex in Suphanburi province. (Academic years 2000 and 2001) 54
Table 3.3: Primary students enrolled in APUS by Sex 56
Table 3.4: Number of Primary Students by sex 59
Table 3.5: Shows the number of primary students in each class in SSUS. 61
Table 3.6: Number of primary students in each class in DSRS. 62
Table 3.7: The Subject wise Performance of students in class VI of four schools in 2001 63
Table 4.1: Distribution of the students by sex. 70
Table 4.2: Father's education by school and province 72
Table 4.3: Mother's education by school and Province 73
Table 4.4: Father's Occupation by School 77
Table 4.5: Mothers' occupations 79
Table 4.6: SES of the students and its group 81
Table 4.7: SES of the students 82
Table 4.8: Sources of pocket money 85
Table 4.9: Amount of pocket money per day 86
Table 4.10: Activities during free time at home 88
Table 5.1: Time Allotment for the Five Areas in Each Grade at the Primary School Level 92
Table 5.2: Teachers’ opinion on ways to improve the curriculum. 99
Table 5.3: Do the students get enough vocational skills to get a job in future? 100
Table 5.4: Teachers’ Opinions on whether the students would have the ability to become workers after class VI 101
Table 5.5: Help obtained by students to do homework 104
Table 5.6: Whether the students enjoy cooking for the school’s lunch programme 106
Table 5.7: Whether students enjoyed working in the school farm for their optional subject. 107
Table 5.8: Frequency of students’ doing work on the farm. 108
Table 5.9: Frequency of visiting farms outside school. 109
Table 5.10: Frequency of the students’ visiting factories outside the school 110
Table 5.11: Students’ Opinion on which Subjects are more Interesting 112
Table 5.12: Students’ opinion on why they find some subjects more interesting 113
Table 5.13: Students’ opinion on whether they want to take up jobs after class VI 114
Table 6.1: Table showing whether teachers plan for class: 120
Table 6.2: Teachers’ opinions on their method of teaching 121
Table 6.3: Teachers’ opinions on how their method of teaching was different from that of the other teachers. 122
Table 6.4: Teachers’ suggestions to improve the teaching process 124
Table 6.5: Teachers’ opinions on physical facilities in their classrooms 125
Table 6.6: Whether parents provide the students enough material for 126
Table 6.7: Students' opinions on whether they understand what the teacher teaches in the classroom.
Table 6.8: Students' opinion on effectiveness of teaching devices
Table 6.9: Students' opinion on whether a strict teacher is good.
Table 6.10: Whether the students often ask questions in class.
Table 6.11: Participation and activities in the school exhibition in the past year.
Table 7.1: Teachers' expectations from the Principal.
Table 7.2: Teachers' views on whether the Principals' accept their ideas and suggestions.
Table 7.3: Opinion of the teachers on staff meetings is necessary.
Table 7.4: Principal's awareness of what is happening in the school.
Table 7.5: Does school management provide enough materials for teaching?
Table 7.6: Do the teachers enjoy cooking for the school lunch programme?
Table 7.7: How to improve the quality of education of the school.
