Acknowledgement

I am deeply indebted and thankful to my supervisor Dr. Sudip Chattopadhyay, for his inspiring guidance and timely valuable suggestions, during my entire course of PhD. He was always there to listen and to give advice. He taught me how to ask questions and express my ideas. He showed me different ways to approach a research problem and the need to be persistent to accomplish any goal.

I am grateful and thankful to Prof. Asis Datta, Director NCPGR, for constant encouragement and for providing excellent research facilities at NCPGR.

I am immensely grateful and thankful to Prof. Sushil Kumar, Dr. Debasis Chattopadhyay, Dr. Jayanti Sen, Dr. Alok Sinha, Dr. Manoj Prasad and all other Scientists of NCPGR for their helpful suggestions and support. I am also thankful to Sudipa mam for her friendliness and warm attitude making us feel like home in all our gatherings.

I am especially indebted to my members of the lab, both past and present especially Chamari, Selva, Vandy, Kundu, Shikha, Chandru, Sreeram, Babu, Aparna and Negiji. They have graciously given their time and knowledge to help me accomplish my goals. I also thank my senior friends and my lovely juniors of NCPGR for their help and support during my entire PhD course.

I also thank my batch mates and all staff members of NCPGR, especially Laxmikantji, Kamal for their help.

I would like to give my special thanks to my friend Devendra for listening to my complaints and frustrations, and for believing in me.

I am also greatly indebted to my parents for their unconditional support and encouragement to pursue my interests, even when the interests went beyond boundaries of field and geography. I thank my family members, especially my brother and sisters in law for their
patience, love and encouragement through the good and bad times. My gratitude to them cannot be expressed in words.

I acknowledge with thanks to all those who might have slipped my mention but their help deserves the same gratitude.

Ritu Kushwaha
