ACKNOWLEDGEMENT

The fruit of Group work is success; there are several hearts and hands behind this work to bring it to this final shape for which I would like to express my appreciation.

I deem it a great privilege to express my sincere gratitude and deep sense of indebtedness to my esteemed professor and subject guide Prof. (Dr.) Mrs. S.K. Bharadwaj, Principal, Govt. DT College, Utai for her meticulous supervision and valuable suggestions, constant guidance, highly instructive suggestions, precious advice, creative counseling and scrupulous scientific supervision during the whole period of study without which it would have been very difficult on my part to finish it in time. I am also thankful to Mr. Anil Kumar Bharadwaj and other family members of my supervisor who offered a great support inspite of the inconvenience caused to them during the research work.

I take this opportunity to express my deep sense of gratitude to Prof. (Dr.) Mrs. Sandhya Verma, Principal, Arts & Commerce Girls College, Devendra Nagar, Raipur for her timely assistance and continued encouragement and necessary help throughout this study.

I am deeply obliged to the Director (Incharge) Dr. Subobh Hiran, JLNH&RC, Bhilai and Civil Surgeon, District Hospital, Durg for their help in providing permission for working in neonatal ward for getting the data used in the present study.
I sincerely express my thanks and appreciation to Dr. (Mrs.) M.E. Patlia for her constant motivation to undergo this study.

I convey my special thanks to my colleague Mrs. G. Hemavati, Reader, P.G. College of Nursing and Mr. Maneesh Dandeker for their constant help in statistical calculation and analyzing the data.

I take this opportunity to express my appreciation to Mrs. Bindu Shrinivas, Stenographer, P.G. College of Nursing for giving entire and sincere effort to give perfect shape to this report.

I sincerely express my thanks to Mrs. Seema Chawla, M.A. (English Literature) for spending her valuable time in editing this thesis.

I express my humble gratitude to all the great authors whose work I have so freely used from time to time.

I am very much grateful to my beloved husband, parents, sisters, brother and my beloved daughters for their constant encouragement, motivation, valuable suggestions and moral support throughout the work.

Finally I express my deep sense of gratitude to my colleagues, friends and fellow students for their constant help, ideas and support during all odds.

Lastly I owe to my Almighty “GOD” for His inherent inspiration and being with me throughout this venture.

Prof. (Mrs.) Abhilekha Biswal
