ACKNOWLEDGEMENT

*For Every Grief, God Has Gladness,*

*For Every Pain, He Has Comfort,*

*For Every Sorrow, He Has Love,*

*For Every Test, He Has Triumph.*

Words are less to express my sense of gratitude to my guide **Dr. Shailendra Saraf,** Professor and Director, Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur for his constant encouragement and valuable guidance throughout the course of investigation. The inimitable way in which he has initiated me to unexplored vitas of the subject can be hardly being described. He designed to strike chords of deepest warmth and personal affection for me in making my research work an adventives revelation, which will always remain an ideal symbol of inspiration to me throughout my life.

He taught me how to write research papers, made me a good analyst, boost my confidence when I doubted myself, and brought out the good ideas in me. (More importantly, he taught me how to work hard and play hard and how to ski to reduce stress) Without his encouragement and constant guidance, I could not have finished this research. He was always there to meet and talk about my ideas, to proofread and mark up my papers and chapters, and to ask me good questions to help me to think through my problems. He also made the research lab a wonderful workplace and home for the past three years by indulging my ever expanding bookshelf space and computer equipment needs. I thank Saraf sir for his skillful wisdom and devotion, which can be found, sprinkled through this research work.

I am highly indebted to my co-supervisor **Dr. (Mrs.) Swarnlata Saraf,** Reader, Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur for her constant support, valuable
suggestions and co-operative guidance to make a fruitful effort and sharing her experience of the dissertation-writing endeavor with me, for listening to my complaints and frustrations, and for believing in me. Madam showed me different ways to approach a research problem and the need to be persistent to accomplish any goal.

I take the opportunity to express gratitude towards our Director, Institute of Pharmacy, Pt. Ravishankar Shukla University, Raipur for providing me the infrastructure facilities required to carry out research work successfully. His wide sympathetic and generous interest in my research work created an intense desire in me to contribute and excel in research.

I express my sincere thanks to Infibnet E-Library and the Librarian and Assistant Librarian of Pt. Ravishankar Shukla University, Raipur for their help during literature survey.

I am also grateful to my colleagues Kamalesh Dashora, Mahendra Singh Ashawat, Deependra Singh, Amit Roy, Gopal Garg, Shelesh Jain, Karunakar Shukla, Vishal Jain, Amber Vyas, Amit Gupta and Ms. Manju Rawat for their encouragement during discussions and interchange of ideas which made my thoughts on the course grow over time.

I thank Dr. Sanjay and Dr (Mrs.) Monika Daharwal whose help, brilliant creativity, and enthusiasm have guided this work from its conception to its completion. I thank Mr. Praveen Sodwadia, Mr. Dinesh Kashikar, Mr. Vijay Ghule, Mr. Rameshkumar working as Sr. executive in Pharma industries and the staff Patel Babuji, Gorachand Baghel for their continued responsiveness to my needs.

I owe special gratitude to my family and especially to my parents, for giving me educational life in the first place. The challenge of being a parent has allowed me to understand the struggles of my parents had and love them even more. I thank my brother Baba and sanjay, sister Sou Shobha and brother-in law Mr. Dnyaneshwar Labhade for motivating me to higher achievements. I thank my jeevansathi Sindhu, daughter Neetu, son Vivek for their continued love during tenure of research.

I am also thankful to All India Council for Technical Education, New Delhi for providing instrumental facilities through Research Promotion Scheme.

May this research should remain always useful and serve good purposes for all humankind.

Most importantly, all honour and glory to God for giving me courage and making everything possible.
