ACKNOWLEDGEMENT

So long God has been my guiding light and I am sure this will still lead me on, all through my life.

This is to place on record my deep gratitude to all those who have helped me complete my research. There are many who gave me dedicated and sustained support.

I am eternally grateful to my parents who first introduced me to the world of English and instilled in me a profound love for the language.

I would like to express my deep sense of gratitude and indebtedness to my supervisor Dr. (Mrs.) Shukla Banerjee, Professor and Head, Department of English, Government College of Science, Raipur, (C.G.) for all the help she has provided to me to prepare this study. She gave me her invaluable guidance and helped me at every stage of my arduous work. Her minute scrutiny of my thesis has gone a long way in helping me eradicate all errors and perfect it to the best of my ability. But for her unusual intelligence and able guidance, this thesis would not have materialized.

I am also grateful to my Co-supervisor Dr. G.P. Dubey, Principal, Government Arts and Commerce College, Ramatola, Dist. Rajnandgaon, (C.G.) for the useful discussions and valuable suggestions which helped me improve my thesis.
