Acknowledgement….

The present work entitled “Themes and Narratives Techniques in the Novels of Zora Neale Hurston” is a result of my efforts on the works of this author. I do not claim it to be a masterly treatise, but it is the product of honest and sincere approach.

This work could not have been completed without the help and blessings of all those people who have been associated with me. Though it is not possible to record and literally acknowledge all of them, I would like to take this opportunity to thank all my friends and well-wishers and other people, some of them so wonderful that they made this dream become the product that you hold in your hand. I would like to thank all of them.

A deep sense of gratitude right from the core of my heart goes to Dr. Savita Singh, my mentor, guru and guide, who taught me the basics of writing a thesis and stayed with me right till the end. Her contribution and encouragement at each and every step of my research made me enthusiastic and devoted towards the study. She provided me with her experienced guidance at all the stages of this doctoral study. Without her blessings I would have not been where I am now. I thank God to have sent her into my life.

I owe my heart filled gratitude towards Dr. K. L. Verma, Professor in S.o.S. in Literature and Languages, Pt. Ravishankar Shukla University, Raipur (C.G.). His simplicity and affectionate support is a blessing to all his students. He always renders valuable support, when required.

I feel obliged to Dr. V. N. Dubey, Head, School of Studies in Literature and Languages, Pt. Ravishankar Shukla University for his active support and encouragement.
I am thankful to Dr. Shail Sharma, Dr. Shukla Banerjee, Dr. Sunayana Mishra, Dr. Mani Shankar Mishra, and Shri. J. B. Singh for their invaluable support and advice. A special thanks goes to Dr. Mohammad Imtiaz Ali for his awesome support throughout my endeavour.

I would also like to thank everyone at Osmania University of International Programs (O. U. I. P.) Hyderabad, without whose help, this thesis would not have been complete. Their rich library provided me with research material for my work.

I find no words to express my deepest sense of gratitude to my mother and father, and elder brother who have always stayed with me emotionally in the process, and supported me in every way. Without their blessings and inspiration, it would not have been possible for me to complete this work.

Above all I express my deepest gratitude and offer everything to almighty God with whose blessings I could perform what He willed.

I feel happy to express my regards to the honourable Vice Chancellor and Registrar, Pt. Ravishankar Shukla University, Raipur (C.G.) for the their valuable concern and good wishes that really helped me in doing my Ph.D. work.

I would also like to thank the librarian of Pt. Ravishankar Shukla University library who helps the students to proceed in their research work.

Last but not the least, I thank all those who helped me in person or from distance of completing my work.

I dedicate this thesis to Almighty God, whatever I am, it is because of Him.
