ACKNOWLEDGEMENT

I wish to place on record my deep sense of gratitude to Dr. D. Joseph Francis, Emeritus Scientist (CSIR), Former Head of the Department of Polymer Science and Rubber Technology and Former Dean, Faculty of Technology, Cochin University of Science & Technology and Dr. Rani Joseph, Professor, Department of Polymer Science and Rubber Technology, Cochin University of Science and Technology for their valuable guidance throughout the course of this work.

Prof. Dr. K.E. George, Head of the Department of Polymer Science and Rubber Technology was the inspiring force throughout the course of the work. His valuable suggestions and help made the smooth completion of the work. His skill in editing publications helped the easy publication of part of the work. I am much indebted to him.

Prof. Dr. A.P. Kuriakose, Dean, Faculty of Technology and Former Head of the Department was always keen in the progress of the work. He was always helpful in his capacity as the Head of the Department and has presented part of the work in the IRI Conference. I am greatly thankful to him.

I acknowledge the valuable suggestions and help extended by other faculty members of the department, the non-teaching staff and my colleagues. I also thank Mr. C.I Soman for the neat preparation of the figures.
