Acknowledgements

Being grateful is not a matter to be expressed but a feeling at heart. Words fail me when I attempt to express my gratitude to my esteemed guide, Professor Parminder Singh Sandhu, Department of English, Guru Nanak Dev University, Amritsar. I am indebted to him for his excellent spirit, inspiring guidance, constructive criticism and untiring willingness to help me throughout the entire course of work without which it could not have been possible to bring this work into its present form. I am sensible to the fact that I have called upon him at odd times and he has always entertained me happily. His constant fatherly affection kept my spirits alive during research. I feel at heart that it is a matter of proud privilege for a student like me that a scholar of the stature of Professor Parminder Singh acceded to my request and took me very kindly under his tutelage.

My deep sense of appreciation is due for my family for their love, affection, silent sacrifices and incessant encouragement. Of all the people who have contributed towards this study, I remain most grateful to my friends whose faith in me gave me the encouragement I needed to complete this research. I am deeply thankful to Prabhanshi who worked very hard to edit the text in spite of her busy schedule. I am indebted to Aman for her love and support I needed most during the last days of this research. I acknowledge a deep sense of gratitude to Balwinder uncle and Indira aunty for their unending support and encouragement. I am thankful to Bholi aunty, Kanu and Kaku for their love and co-operation during this entire project.

I would like to extend my sincere thanks to the other Faculty members of the Department for their priceless suggestions. I am thankful to Mr. Ravi Sharma, the librarian, Department of English, Guru Nanak Dev University, Amritsar, for his help and cooperation.

The last words of this page go to my nephew Sohraab whose smiling face kept my spirits high and encouraged me to work hard to accomplish this research.
