LIST OF PUBLICATIONS

Papers published

Papers presented in scientific meetings

1. Balarama Kaimal S, Philip Augustine & C. S. Paulose “decreased GABA
   receptor activity in the brain stem and cerebellum during pancreatic
   regeneration in rats and decreased insulin secretion from rat
   pancreatic islets in vivo”. International Conference on Biotechnology
   and Neuroscience. December 29-31, 2004, Cochin
2. Balarama Kaimal S & C. S. Paulose. Decreased GABA receptor activity in
   the brain stem and cerebellum during pancreatic regeneration in rats (poster).
   International Symposium, National Brain Research Centre, New Delhi
   (December, 2003)
3. Reas Khan S, S. Balarama Kaimal & C.S.Paulose Decreased glutamate
   dehydrogenase activity in the liver of rats in alcoholism International
   Medical Science Academy - Annual Conference (IMSACON) Kochi (Sept.
   2003).
   dehydrogenase activity during hepatic and pancreatic regeneration in the
   liver of rats”. National Symposium on Medical, Plant And Industrial
   Biotechnology Dec. 1-2, Cochin University Of Science And Technology.
   Cochin (2000)
5. Balarama Kaimal S “Biofertilizers”, 9th Swadeshi Science Congress, 7-9
