ACKNOWLEDGEMENT

I express my deepest feelings of gratitude to my distinguished guide Dr. (Miss) Jatinder Bhullar, Professor, Department of Physical Education, Panjab University for her valuable guidance, whole-hearted cooperation, encouraging attitude and constant inspiration throughout the investigation.

I extend my sincere thanks to Professor J. N. Joshi, Chairman, Institute of Development and Communication, Chandigarh for his help and guidance in clear conceptualization of the problem, developing research design and analysing the results.

I am thankful to Dr. S. N. Sharma, Chairman, Physical Education Department, Panjab University, Chandigarh for his cooperation in completion of this study.

My gratefulness is due to Dr. J. S. Naruka, Professor & Director, Sports Council, University of Delhi for his timely help and constant encouragement.

My special thanks to Dr. Aruna Chakravorty, Principal, Janki Devi Mahavidyalaya and Mrs. Amrit Bose, Incharge Physical Education Department (JDM) for their help in multiple ways and encouragement.

I express my gratefulness to Dr. B. S. Nagi, Director, Council for Social Development and Research Centre, Delhi for his timely help and guidance in statistical analysis of the data.

My sincere thanks to the Sports Authority of India, particularly all the Regional Directors and the coaches who extended their full cooperation during data collection phase of the study. I am also
thankful to all the coaches from different stadia, and coaching centers for becoming the subjects for this investigation.

My deepest gratitudes to Dr. Usha Singh, Reader, Physical Education Department, Daulat Ram College for her constant and continued guidance, expertise help at every phase of the investigation. I do feel thankful to my other friends and colleagues - specially Dr.Chanchal Singh, Dr. Rashmi Kacker, Mrs. Nalini Ramchandran for their encouragement throughout the study.

I place on record my affectionate thanks to Reema Kochar, final year student, B.A. (Hons.) in Psychology, JMC for her continued help in scoring, recording and checking of raw data.

I express my sincere thanks and genuine appreciations to all my family members particularly to my husband Mr. S. K. Saggar, my sons Gagan and Ritesh, my brother Mr. Ajay Uppal and my nephew Mr.Rajiv Dalal for their sacrifice, encouragement, help, inspiration and morale boosting at every phase of the study especially during the crucial moments of investigation. But for their constant support, this study would not have been completed in its present shape.

I express my gratitude to all the authors whose works have been referred to in the present study.

Last but not the least I thank Mr. Sanjay, Mr. Suman Khanna and Mr. Sudershan Khanna for their help in presentation of this thesis report.

Mukesh Kumari Uppal
