PREFATORY NOTE

It is my utmost duty to place on record my sense of gratitude to my Supervisor, Dr. Abha Rupender Pal, under whose meticulous, thorough, profoundly inspiring guidance and encouragement, I have accomplished my task. She has been an invaluable source of help to me at every step. I have no words to express my gratitude for all the pains she took in guiding me in this work.

I am very much indebted to Dr. M.A. Khan, the Head of the Department of History. He provided me with all possible help and facilities from the department for the smooth working of my task and encouraged me from time to time. I am thankful to him for his valuable and constructive suggestions in regard to the drafting of this Thesis.

My grateful acknowledgements are due to the Eminent Professor Late Dr. R.M. Sinha who helped and gave me unfailing advice at the beginning of my work but unfortunately due to his sudden demise I lost the opportunity to enrich myself from his learned guidance.
My heartfelt thanks are due to Dr. Ramendra Nath Mishra, Dr. Renuka Jha, Dr. Shanta Shukla, Dr. Ashok Shukla Dr. Kishore Agrawal (all Raipur) Dr. Pankaj T. Desai of Gujrat Vidyapeeth, Ahmedabad for their kind suggestions.

I take this opportunity to express my thanks to the Director and staff of the National Archives, Nehru Memorial Museum & Library (New Delhi), State Archives, Old Secretriate, Sapre Memorial Museum (all Bhopal), Nagpur University Campus Library, Sagar University Library, Sabarmati Ashram and Gujrat Vidyapeth Library (Ahmedabad), Sarveshwardas Library, Pt. Sunderlal Sharma (University) Library, Rajkumar College Library (all Raipur). Besides this to the staff of S.O.S., R.S.U., Baisakhinbai, Bheekham and Surendra Yadav.

It is my foremost duty to thank my family members, my father Mr. A.M. Khan, sister Zakia, brothers Aijaz and Zia, sister-in-law Parul, brother-in-law Iftekhar and nephew and nieces Nazia, Shadab, Huma, Sana and Narda for their cooperation in this work. My mother who was an immense source of inspiration for me could not live to see the fruit of my
labour but even after her death she was with me every moment I was doing this work. I cannot fail to thank her and her memory.

It may not be out of place to make a special mention of my friends who came forward with their help. I am very much thankful to Dr. Abha Tiwari as well as to Atipriya, Kiran, Jyoti, Rita, Vijay and Shameem.

The completion of this Thesis has no doubt been an exhilarating experience for me but more exciting and fascinating have been the goodness and generosity of the persons named and unnamed, whose sustained interest has been a source of inspiration to me. In varying degrees they all share whatever worthwhile is there in this work.

I shall be failing in my duty if I don't make a special mention of the Indian Council of Historical Research, New Delhi, for awarding me the Junior Research Fellowship without it would have not been possible for me to undertake this research work.
