CHAPTER VII

ACKNOWLEDGMENT

I am obliged to Dr. K.K.Verma, Professor and Head of Zoology Department, Government Arts and Science College, Durg for close association and supervision. I am also indebted to three consecutive Principals of Government Arts & Science College, Durg, Dr. R.N.Singh, Prof. A.M. Sinha, and Dr. C.B.L.Varma, for facilities to work and encouragement. Identification of material for the present study was kindly provided by the Commonwealth Institute of Entomology, London. Identification of Cerambycid material was confirmed by the Indian Forest Research Institute, Dehradun. Dr. Kingsolver of U.S.D.A., Washington was kind enough to confirm identification of Callosobruchus analis. Two research grants from the U.G.C. and one from Ravishankar University have helped in purchase of literature and photographic material etc. Fellow research worker Shri P.N.Tiwari generously spared time for photography. The teaching and laboratory staff of the Zoology Department of Govt. Arts & Science College, Durg have been cooperative and helpful throughout.
