NONLINEAR WAVES IN DISPERSTIVE MEDIA AND CURRENT DRIVEN
INSTABILITIES IN MAGNETOPLASMAS

BY

BHUPENDRA NATH GOSWAMI

A THESIS
SUBMITTED FOR THE DEGREE
OF
DOCTOR OF PHILOSOPHY
OF THE
GUJARAT UNIVERSITY

JUNE 1976

PHYSICAL RESEARCH LABORATORY
AHMEDABAD 380009

INDIA
Through the haze of the pyre
a face,
In a mist of silence he lay
with a scornful delight
His sense of happiness.

That was JAYARAM
had an unpredictable sense of humor,
He died.
He would never become a memory,
To him, I dedicate.
