ACKNOWLEDGEMENT

With full humility I acknowledge my indebtedness to my Seer and Guide Dr. Kallol K. Ghosh, School of Studies in Chemistry, Pt. Ravishankar Shukla University, Raipur. He has been a constant inspiration to me to give my best in the research work. He has always been available to give his learned advice along with constructive criticism. This submission of thesis is the outcome of the intellectual tuning and cooperation received from my guide Dr. Kallol K. Ghosh.

I also will not mince words to express my gratitude to Prof. U. K. Gupta, Head of the Department, School of Studies in Chemistry, Pt. Ravishankar Shukla University, Raipur, former Heads Dr. G. L. Munthara, Prof. R. K. Mishra and Prof. S. C. Tandon, School of Studies in Chemistry, Pt. Ravishankar Shukla University, Raipur for their encouragement and inspiration.

This is the proper occasion for conveying my utmost regards to my Teachers Dr. (Mrs.) Rama Pande, Dr. K. S. Patel, Dr. (Mrs.) S. A. Bhoite, Dr. Manas Kanti Deh, of School of Studies in Chemistry and Dr. S. C. Naithani, School of Studies in Life Science and Dr. D. P. Knity, School of Studies in Geology, Pt. Ravishankar Shukla University, Raipur and Dr. S. K. Raiput, Gout. Model Science College, Raipur, for their valuable help and suggestions.

I am grateful to Professor Satya Priya Mondal, INA, Centre for Surface Science, Jadavpur University, Calcutta, Professor A. C. Dash, Utkal University, Bhubaneswar, Professor G. B. Behera, Sambalpur University, Sambalpur, and Dr. A. R. Das, Polymer Research Unit, Indian Association for Cultivation of Science, Calcutta for their valuable suggestions regarding this present investigation.

I would like to express my gratitude to Professor Emilias Iglesias, Universidad de La Coruna, Spain and Professor Clifford A. Bunton, University of California, California for their valuable correspondence.

I am greatly indebted to M. P. Council of Science & Technology (MPCOST), Bhopal, for the financial support in the form of project to Dr. Kallol K. Ghosh (G-88/92). I am also thankful to the authorities of MPCOST, Bhopal, for awarding
me Research Fellowship and I also thank Pt. Ravishankar Shukla University, Raipur for awarding me the University Scholarship.

I would also like to mention the suggestions and help off and on given by my senior colleagues Dr. (Mrs.) Sharmista Ghosh, Dr. Santosh K. Sar, Dr. Santosh Singh Thakur, Dr. (Mrs.) Supriya Roy, Dr. Jeena Harjoot, Dr. G. Sunita and my junior colleague Mr. Pankaj Tamrakar.

I express my deep sentiments to my parents Shri R. C. Pandey & Smt. Madhuri Pandey, who are a tower of strength to me, at times when I became despondent they encouraged me to carry-on my research work. I would fail morally in not showing my gratitude to elder sister Smt. Abha Pandey & brother-in-law Shri P. K. Pandey. They always gave me a helping hand in words and deed. My elder brothers Shri Awanash Pandey and Dr. Ajay Pandey who are pillars of strength to me. I would also like to mention last but not the least my gratitude to Smt. Shwara Ghosh for her encouragement and kindness. My thanks to Mr. Subhash Agrawal (Deepak Typing Institute), Mr. Sushil Kumar Agrawal & Mrs. Smita Agrawal (Super Graphics) for printing and publishing of this thesis.

Thanks are also due to all my friends who have helped me directly or indirectly.

Thus I express my gratitude to my elders and Seers who have acted as a beacon light while coursing through the deep waters and reefs...infronited in research work.

I pray to the Almighty to help and guide me in my future course of life.
