ACKNOWLEDGEMENT

I avail this opportunity to express my deepest sense of gratitude to Dr. U.K. Kaushik, Professor and head of the Department of Entomology, College of Agriculture, Indira Gandhi Agricultural University, Raipur, under whose guidance I could carry out this work and also to Dr. A.K. Pati, Reader, School of Life Sciences Pt. Ravi Shanker Shukla University, Raipur, who very kindly agreed to act as co-guide in the current research work.

I am extremely thankful to Dr. B.S. Thakur, Associate Professor, Department of Entomology, College of Agriculture, Indira Gandhi Agricultural University Raipur. Whose sustained guidance in field observations and data compilation had been comparable during the investigation.

I am highly indebted to Dr. M.L. Naik, H.O.D. School of Life Sciences, Pt. R.S. University Raipur. Who permitted me to work in the Departmental lab according to my suitability and availability of time.

I could not forget Smt. Vibha Upadhyay my cousin sister and Shri Sudhish Kumar Upadhyay Research Asstt. Department of Agronomy college of Agriculture I.G.K.V.V., Raipur, my brother in law who remained busy whole heartedly in making arrangement not only for my stay at Raipur, but also in processing and analysis of research data. I also thankful to my uncle Shri Gyanesh Birla, Asstt. Agr.
Engineer, Department of Agri Engg. Govt. of M.P. and my aunt Smt. Manju Pidiha who not only encouraged me but also remained a guiding factor throughout my stay at Raipur.

Shri Madhav Pandey Asst. Librarian I.G.A.U., Raipur can not be forgotten whose help in collecting review of literature included in this presentation has been commendable.

I will ever remained indebted to my husband Shri Vishnuc Prasanna Tiwari and my daughter Stuti and all my in-laws at Baloda Bazar, Distt. Raipur. My mother Smt. Leela Mishra, sister Sandhya, brothers Santosh and Satshubhra who had been the inspiring source and always extended helping to complete this work. I will ever remain indebted to my father in law Shri Bans Raj Tiwari, who encourage me for this work.

I am thankful to my friends Smt. Savita Sachdev and Smt. Shashi Prabha Sonpure, who always encourage me for completing this work.

Shri Anand Ram Sahu deserves my thanks who prepared the computer copies of the thesis timely, neatly and correctly.

Lastly I am thankful to all the persons of Pt. Ravishankar Shukla University and Indira Gandhi Agricultural University, Raipur, who were involved directly or indirectly to helped me to finalize to this project.

Smt. Seema Tiwari
