ACKNOWLEDGEMENTS

It gives me immense pleasure, as I take the privilege, of this unique opportunity to express my gratitude and respect for my guide and ideal, Dr. S.C. Naithani, Senior Lecturer, School of Life Sciences, Pt. Ravishankar Shukla University, Raipur. I am profoundly grateful to him for his valuable guidance and handling of the reins of my work so efficiently. I owe him my heartfelt and sincere most thanks for introducing me and taking through the fascinating world of desiccation-sensitive seed systems.

I tender my most cordial and appreciative thanks to Prof. M.L. Naik, Head, School of Life Sciences, Pt. Ravishankar Shukla University, Raipur for his encouragement and for providing laboratory facilities. I record my gratitude to all the faculty members Dr. Vibhuti Rai, Dr. S.K. Mishra, Dr. A.K. Pati, Dr. A.K. Gupta, Dr. Aditi Poddar and Dr. Vijaya Koche for their encouragement and moral support during the tenure of my work. The unhesitating help and whole hearted suggestions rendered by my teacher Dr. G.B.K.S. Prasad, Reader, School of Biotechnology, Jiwaji University, Gwalior and Dr. Nibha Gupta, Scientist, Regional Plant Resource Centre, Bhubaneshwar is gratefully acknowledged. I also offer my heartfelt thanks to Dr. G. Pradeep Kumar and Dr. Malini Laloraya, School of Life Sciences, Devi Ahilya Vishwa Vidyalaya, Indore for their advice in shaping my work.

I am also thankful to all my senior and present labmates for their uninhibited help and support all through the period of my work. This work must not have been possible without the impetus of Dr. K.S. Krishna Chaitanya, Scientist (Seed Technology), Cosmo Plant-Gene Co. Ltd., Hyderabad in the beginning of my research work. He has been a great source of inspiration allthrough. I express my abiding appreciation to my friend and colleague Keshav Kant Sahu, for his unrelenting help, encouragement and co-operation right from the first day of my joining research. I can never forget his volunteer renderings whenever I needed his moral or physical attention. Heartfelt thanks are also due to my other labmates Mrs. Vinita Thomas, Mrs. Vijay Laxmi Naidu, Mr. Krishna Kant Sahu and Mrs. Nirmal Kaur for their conducive support.

Financial assistance rendered by University Grants Commission, New Delhi (Sanction No.: 3-32/94(SR-II)) as Junior Research Fellowship and Council of Scientific & Industrial Research, New Delhi (Sanction No. 38(0037)/97/EMR-II) as Senior Research Fellowship is also gratefully acknowledged. Thanks are also extended to the technical and supporting staff of School of Life Sciences and Pt. Sunderlal Sharma Library, for their amenable assistance. Especially the contributions by field attendants Mr. K. Duryodhan and Mr. K. Neelkanth were helpful during my work and their support is hereby duly acknowledged. They have been an excellent aide all along the period of my Ph D. work.
I express my heartfelt thanks to my local guardians Mr. Alex Muthulalay & family and Mrs. Soffamma Kuriakose & family, for their complaisant attitude, moral support and making me feel at home, whenever I missed my family. I feel highly obliged to Mrs. Ranjana Naithani and kids Charu & Dipti for their affection, care and good wishes through out my research tenure and especially for all the pains Mrs. Naithani undertook during the correction of the manuscript.

I am highly indebted to all my past and present research colleagues among which a few I name, Dr. Shashi Gupta, Dr. Arvind Agarwal, Dr. Geeta Nair, Dr. Elizabeth Varghese, Dr. Arti Parganiah, Mrs. Sanju Sinha, Dr. Preeti Bandhopadhyay, Ms. Pratibha Srivastava, Mrs. Deepa Thwari for their ever ready support and involvement. Especially for all the heartening and animating encouragement by Dr. Afaque Quraishi, Dr. Ramesh Rahangdale, Dr. Shama Afroze Baig and Ms. Vandana Dixit during the different phases of my work is thankfully acknowledged. I also acknowledge with heartfelt appreciation and thanks, the undaunted help and reassuring motivation by my friends Shaji P. Mathew, Ashok V. Kurup, Meetul Kumar, Vaishali C. Joshi, Sanjog Sharma and Mr. Wesley Solomon for which I shall be ever grateful to them. I extend my thanks to all of them who have directly or indirectly helped in my endeavour.

I am at lost of words when it comes to express my thanks and gratitude to my parents, Mrs. & Mr. A.M. Varghese and my sister Ms. Ruby Varghese, who have been pillars of support and great sources of inspiration although my studies and research. They have very effectively nurtured me with their love and affection and instilled patience inspirit whenever I have felt low. No words could ever convey my respect and reverence for them. Last but not the least, I express my gratitude to the Almighty Lord for His blessings and strength to complete this novel piece of work.
