Acknowledgement

I acknowledge with deep gratitude the help, encouragement and guidance rendered to me by my Supervising teacher Dr. Mahajan P. Mani, Professor, School of Gandhian Thought and Development Studies, Mahatma Gandhi University, Kottayam in preparing this thesis.

My thanks are due to Dr. A. K. Chirappanath, Professor and Director, School of Gandhian Thought and Development Studies, Mahatma Gandhi University, Kottayam for the encouragement and support in carrying out the study.

I am much indebted to Dr. P. N. Suresh, Psychiatrist, Calicut Medical College for his valuable suggestions.

I also acknowledge the help given to me by Dr. M.S. John, Lecturer, School of Gandhian Thought and Development Studies, Mahatma Gandhi University, Kottayam.

My thanks are due to Dr. Kuruvilla Mathew, Dr. Joseph Varghese and Dr. Subalakshmi for their unconditional help and constant encouragement. I am grateful to Dr. Santha Abraham, Clinical Psychologist, Medical Mission Hospital, Kolencherry, Ernakulam for her support in carrying out the study.

I am earnestly beholden to Dr. K.A. Kumar for his valuable suggestions in carrying out the study.

I must express my gratitude to my friends for their assistance in preparing the review of literature. I am grateful to Librarian, Central Institute of Psychiatry, Ranchi, Bihar and Librarian, NIMHANS, Bangalore, Karnataka for their kind cooperation.

My thanks are due to Dr. K.C. George for his assistance in data analysis.
I extend my sincere thanks to Librarian, School of Gandhian Thought and Development Studies Mahatma Gandhi University, Kottayam and Sri K. V. Sugunan, Lars Computer Centre for their assistance in preparing the thesis.

Last but not the least, I am thankful to the respondents and their families, without their co-operation this study would not have become a success.

Siby Thomas
