ACKNOWLEDGEMENT

I would like to place my hearty gratitude to my research supervisor, Dr. A.S. Zadgaonkar, for providing his invaluable guidance and ample of his time throughout the period of this research work. His patience, tolerance and understanding as a human being and about the subjects; cannot be described in words. His tremendous capacity, zeal and devotion to work, not only in curricular but also in numerous co-curricular activities together, is an inspiration for the candidates working under him. My thanks are due to Mrs. Zadgaonkar for her loving affection and care.

I am thankful to H.O.D. (Electrical) Dr. A. S. Thoke and all my colleagues in deptt. and supporting staff for their constant encouragement and help from time to time. I am also thankful to Ms. Anamika Jain (A.E., C.S.E.B) for guiding me and making me acquainted with the Mat lab software and its working.

With the profound sense of humble gratefulness I wish to thank my parents and in-laws for providing me all kind of support to carry out this work. They had been constant source of inspiration and moral support to me. Last, but not the least I express my indebtedness to my kids and my husband Shri Sanjay Gupta, who did cooperate very patiently by bearing all sorts of inconveniences caused to them due to my remaining away from
them. They allowed curtailing their righteous time and attention of mine during the course of this research work.

Further I am also thankful to all, who; directly or indirectly, helped me during this research work.
