ACKNOWLEDGEMENTS

It gives me an immense pleasure and pride to express my sincere gratitude and respect for my teacher and guide Dr. K. Nagaiah, Scientist-F, Indian Institute of Chemical Technology, Hyderabad for his inspiring guidance. I proclaim my indebtedness to him for his constant encouragement along with the useful suggestions and constructive criticisms during the entire tenure of this work. I consider myself fortunate enough to have worked with him in enhancing my knowledge.

It is my bound duty to record my thanks to Dr. G. V. M. Sharma, Head, Organic & Biomolecular Chemistry, for his constant encouragement and ardent interest shown during the progress of work. I sincerely acknowledge UGC, New Delhi for award of junior and senior research fellowship and thanks are due to the Dr. M. Lakshmi Kantam, director of IICT for providing the infrastructure and necessary facilities.

I express my special thanks Dr. B. V. S. Reddy, Dr. S. Chandrasekhar, Dr. B. V. Rao, Dr. G. Kumaraswamy and Dr. A. V. Narsaiah for their help and encouragement. My sincere thank goes to Dr. A. C. Kunwar, Dr. Jagadeesh and Dr. A. V. Sharma for providing analytical support.

I pay rich tribute to Prof. B. Hari Babu, Head, Prof. C. Rambabu, Board of Studies, Prof. A. V. Dattatreya Rao, principal and other faculty of Department of chemistry, Acharya Nagarjuna University, Guntur for giving opportunity of my Ph.D programme in the university.

I take it my pleasure in thanking my senior friend Dr. K. V. Purnima, for lending her shoulders when in problems and for continuous support throughout the period.
