LIST OF GRAPHS

GRAPH-1 Hemoglobin Percentage in different Age group of Quails.  54

GRAPH-2 PCV Values in different Age group of Quails.  54

GRAPH-3 Total RBC Count in different Age groups of Quails.  55

GRAPH-4 Total WBC Count in different Age groups of Quails.  55

GRAPH-5 Alterations in Hemoglobin Percentage In Quails Affected with High Temperature and Coccidiosis.  59

GRAPH-6 Alterations in Values of PCV in Quails Affected with High Temperature and Coccidiosis.  59

GRAPH-7 Alterations in Total RBC Count in Quail Affected with High Temperature and Coccidiosis.  60

GRAPH-8 Alterations in Total WBC Count in Quail Affected with High Temperature And Coccidiosis.  60

GRAPH-9 Number of Pathological Conditions in Concerned Organs.  63

GRAPH-10 Percentage of Pathological Conditions in Concerned Organs.  63

GRAPH-11 Number of Pathological Conditions In Lung.  69

GRAPH-12 Percentage of Pathological  69
Conditions in Lung.

**GRAPH-13** Number of Pathological Conditions in Trachea. 72

**GRAPH-14** Percentage of Pathological Conditions Trachea. 72

**GRAPH-15** Number of Pathological Conditions in Heart. 75

**GRAPH-16** Percentage of Pathological Conditions in Heart. 75

**GRAPH-17** Number of Pathological Conditions in Spleen. 80

**GRAPH-18** Percentage of Pathological Conditions in Spleen. 80
