ACKNOWLEDGMENT

It is with great pleasure and proud that I acknowledge my heartfelt gratitude to my guide Dr. M.L. Naik, Reader, Dept. of Bioscience, Ravishankar University, Raipur, under whose worthy guidance and supervision this work has been carried out. His enthusiastic interest and unfailing guidance, assistance and encouragement made it possible for me to complete the present study. It is with profound gratitude, I express my deep regard to my co-guide Dr. B.R. Chandravanshi, Dean, College of Agriculture, Raipur for providing me research facilities and ideas. His constructive criticism and unending cooperation have helped me to complete the investigation.

It can not adequately be expressed by words that I owe to Dr. A.S.R.A.S.Sastri, H.S. Department of physics and Agril. Meteorology, I.G.K.V.V. Raipur for his affectionate and generous attitude which has been a constant source of inspiration to me. His unrestricted help at every stage helped me for the completion of present manuscript.

I am deeply indebted to Dr. V.P. Shukla, Hon'ble Vice Chancellor, I.G.K.V.V., Dr. S.S. Baghel, Director Research Services, Dr. K.L. Rathod, Director Extension Services I.G.K.V.V. and the then Associate Director Research, J.N.K.V.V., Dr. S.N. Dubey, former Director Research Services, J.N.K.V.V., Jabalpur, Dr. S.S. Ali, Professor and Head, Dept. of Bioscience and Dr. S.M. Agrawal, former Vice Chancellor, Ravishankar University.
Raipur for providing me necessary administrative support, approval and kind encouragement from their end during the study period.

I express my sincere gratitude to Dr. K.S. Patel, Lecturer, Dept. of Chemistry, R.S.U. Raipur, Dr. R.L. Kashyap, Professor and Head, Dept. of Horticulture, Dr. S.K. Agrawal, Shri M.L. Adil, Dr. B.L. Chandrakar and Shri A.L. Rai, my senior colleagues and well wishers from Indira Gandhi Krishi Vishwa Vidyalaya Raipur, for their interest, enormous encouragement and suggestions during the study period.

I would be failing in my duty if I do not acknowledge to Dr. J.S. Urkurkar, Shri V.N. Mishra, Shri S.B. Gupta, Shri V.K. Gupta, Shri Ramagya Singh, Q.P. Kashyap and Shri S.N. Khajanji and my all other colleagues for their cooperation from time to time. I am also thankful to Dr. A.R. Pal, 1/c Computer Center I.G.K.V.V. Raipur for providing necessary facilities. My sincere appreciations are also extended to Shri G.V. Prasad, Asstt. Programmer, G.L. Sahu and Kamlesh Sahu of computer center for their help in computer operation and applications.

I am also thankful to Field Assistants and Farm staff, S/Shri R.K. Yadav, M.B. Roy, M.L. Rahangdale, G.L. Nishad, R.C. Yadav, Gopal Yadav, Binu and Kaliya for their help and cooperation during the field experiments.
It is my prime duty to remember the affection, love and sacrifice of my parents, brothers and sisters, who brought me up at the cost of their comforts.

It is not out of place to mention the help, cooperation and moral support given by my wife Smt. Sukanti Patel who bore all the difficulties to look at kids and domestic responsibility besides spending late nights in assisting me, during the course of this study.

Besides, the preparation of this manuscript has required the help, cooperation of my neighbours and relatives. I have neither words adequate to convey my gratitude nor space enough for their names but I owe each of them for their invaluable support and help.

(S.R. Patel)
