ACKNOWLEDGEMENTS

I take the opportunity to thank Dr. A.K. Uppal, Dean, Lakshmibai National College of Physical Education, Gwalior who gave me an opportunity to work on the project and constructive guidance till completion of the same.

I am deeply indebted to my Guide, Dr. M.S. Gill, Lecturer-in-Selection Grade, Lakshmibai National College of Physical Education, Gwalior for his generous advice, competent guidance and great enthusiasm for the successful accomplishment of the study.

I express my deep gratitude to Brigadier G.S. Sandhu, VSM, Deputy Director General Physical Training, Army Headquarters, New Delhi and Brigadier V. Chandersekharan, VSM Commandant, Army School of Physical Training, Pune for their help in getting permission from the Army Headquarters to work on the proposed project and provided me all the desired help regarding provision of instructors, coaches and equipment to carry out the experiment successfully.

I extend my heartfelt thanks to Brigadier N.K. Kanoor, then Commandant Artillery Centre, Hyderabad for providing me assistance in conducting experiments on recruits.
ACKNOWLEDGEMENTS (Contd.)

The scholar places on record his gratefulness to Major I.S. Cheema, Physical Training Officer, Army Ordnance Corps Centre and Captain R.S. Cheema, Physical Training Officer, Artillery Centre, Hyderabad for their kind co-operation and help in collection of data.

My appreciation is extended to the instructors and coaches of the Army Physical Training Corps of the Indian Army who helped me in administration of both the training programmes to make the experiment a success.

The scholar would like to mention here his deep sense of gratitude to Dr. T.S. Brar, Reader, Dr. B.S. Brar, Lecturers-in-Selection Grade, Lakshmibai National College of Physical Education, Gwalior for their constructive guidance and helpful suggestions from time to time.

I would like to convey my sincer thanks to Shri R.L. Chopra for his assistance in completing the thesis.

My thanks are also due to Dr. K. Satyanarayanan, Deputy Director, Dr. Y. Venkata Ramana of the National Institute of Nutrition, Hyderabad and Dr. A.R. Joshi, Lecturer in Physiology, B.J. Medical College, Pune, who spared their valuable time for guidance and encouragement.
ACKNOWLEDGEMENTS (Contd.)

My acknowledgement is due to the library staff of the Lakshmibai National College of Physical Education, Gwalior for their kind co-operation and willing help in collection of the material and literature to complete the thesis.

M.S.B.
