ACKNOWLEDGEMENTS

It is a matter of great pride for getting an opportunity to work in the field of tropical diseases. Research is always an effort of coordinated teamwork. Several have helped in many ways to bring this thesis to completion. I take this opportunity to acknowledge all those who made it possible for me to pursue this study.

First of all, I express my heartfelt gratitude and respect to Dr. A.K. Gupta, Reader, School of Life Sciences, who has been my supervisor for this thesis. I am greatly indebted to him for his affectionate guidance, constant encouragement and constructive criticism at every stage of the work. I express my overwhelming sense of gratitude to my Coguide and monitor, Dr. GBKS Prasad, Reader, Department of Biochemistry, Jiwaji University, Gwalior for his painstaking and skilful supervision.

I am highly indebted to Professor M.L. Naik, Head, School of Life Sciences, Pt. R.S.S. University, Raipur for his keen interest, encouragement and for providing all the facilities. I profoundly thank Dr. A.K. Pati, Reader, School of Life Sciences, for his active involvement, guidance and time to time advice. I am grateful to other faculty members, Dr. V. Rat, Dr. S.K. Mishra, Dr. Aditi Poddar, Dr. S.C. Nathani and Dr. Vijaya Koche for their critical analysis and timely suggestions.

I owe a deep sense of gratitude to Professor S.M. Agarwal, Ex Vice Chancellor, Pt. Ravishankar Shukla University, Raipur for valuable suggestions during the course of this work.

I am thankful to Dr. M.P. Gupta, Reader, SOS Geography and Dr. Suresh Mohan for their kind cooperation.

I am grateful for the active interest, taxonomic help and field assistance provided by Mr. Om. Kataria, District Malaria Officer, Dr. R.S. Thakur, Mr. Laxmikant, Mr. Katiyar, Suresh Kushwaha, Dinesh Agrawal, Vivekanand Sharma and Ms. Anita, without their support it would not have been possible to succeed in my endeavor.

I record my special thanks to Dr. Kalpana Murthy and N.P. Pal, Scientists, CDRI, Lucknow for acquainting me with the techniques. I also thanks Prof. B.C. Harmath, Prof. M.V.R. Rethly and Rajasekhar Ali, SRF, MGI, MS, Sevagram.
Wardha for providing me the Mastomys spp. and mosquito eggs in the beginning of my work.

I am extremely thankful to Dr. Shri Prakash-Deputy Director, Dr. Vijay Raghavan-Assistant Director, Dr. P.R. Malhotra-Assistant Director, DRDE, Gwalior; Dr. A.P. Dash, Director and Dr. R.K. Hazra, Technical Assistant, RMRC, Bhunaeshwar for valuable comments and helpful suggestions.

I am pleased to acknowledge the help received from Dr. P.K. Das-Director, Dr. S.P. Panni-Deputy Director, Dr. K.D. Ramaiah-Assistant Director, Dr. Rajawael-SRO. Dr. Krishana-Research Assistant, Jesu Methew, technician and other staff of VCRC, Pondicherry, during my WHO sponsored training.

I specially thank Dr. Shobha Gupta, Dr. Arti Chandrawanshi and Dr. Arvind Agrawal of Chronophysiology Lab for data analysis and all round support. Further, I earnestly acknowledge the unreserved cooperation of my senior research fellows, Drs. Afaque Kurash, Shashi Gupta, Sanju Sinha, Preeti Mukherjee, Debasri Bhattacharya and fellow workers. Baby Vargeshe, Keshav Kant Sahu, Deepthi Dubey, Pratima Gupta, Manisha Garg, Nirmal Kaur and Krishna Kumar.

Financial assistance received from Pt. R.S.S. University, Raipur and Training Grants received from W.H.O. is duly acknowledged. Thanks are also extended to the Technical and supporting staff of School of Life Sciences and staff of Pt. Sundarlal Sharma Library for their amiable assistance.

I am highly obliged to Mr. Kumar, Mrs. Subdhara Prasad and Mrs. Seema Gupta for encouragement and good wishes throughout.

I am thankful to lovely Meenakshi, Ritu, Pabbu, Vicky and Sunny who provided lot of help during my thesis work. I thank all the human subjects for their cooperation who participated in this study, voluntarily.

There are, of course many nameless persons who have wittingly and unwittingly helped me for the completion of the thesis. My thanks to all of them.

No words can adequately express my feelings of immense gratitude to loving Parents, elders and lovable kiths and kins.

I remember gracious God all the while

\[\text{(Ms. Vandana Dixit)}\]
