ACKNOWLEDGEMENTS

The investigator is indebted to the members of the Research Degree Committee in Physical Education, Jiwaji University, Gwalior, for this critical evaluation of the project outline which gave immense confidence for the successful completion of the study.

A deep sense of gratitude is expressed to Dr. A.K. Uppal, Deputy Dean, Lakshmibai National College of Physical Education for his valuable directions, guidance and supervision for the successful completion of this study.

Sincere thanks are expressed to Mr. P.K. Prabhakar, D.P.T., M.I.A.P., D.M.T. (USA), Superintendent Physiotherapy, Institute for Physically Handicapped, whose guidance and advice helped a lot in the conduct of this study.

The author places on records her deep sense of gratitude to Dr. Sharat Prasad, M.S., consultant Orthopaedic Surgeon and Mr. N.N. Kumar, D.P.T., Physiotherapist, Sanjeevan Medical Research Centre for their valuable suggestions and guidance pertaining to the Study.

Appreciation is expressed to Mr. V.D. Bindal, Physiotherapist, Lakshmibai National College of Physical Education
ACKNOWLEDGEMENTS (continued)

Gwalior for his guidance and help on various aspects of this study.

Thanks are extended to Dr. A.K. Bose, (Retd.) Head of the Department, Jaiparaksh Narain Hospital, Delhi, who initiated and encouraged to take up the study and for introducing the scholar to various experts in the field of Physiotherapy and Orthopaedics and to have the benefits of their experiences.

Sincere thanks are due to Dr. P.K. Pande, Dr. (Ms) A. Sidhu and Dr. B.S. Brar, Readers, Lakshmibai National College of Physical Education, Gwalior for lending their help and guidance in selection of books suited for the study.

The investigator is indebted to Shri V.P. Suri, I.A.S., Director Education, Delhi Administration for his encouragement in pursuing and lending useful literature to complete the study.

Sincere thanks are due to Shri Y.P. Purang, Dy. Director, Delhi Administration for permitting the scholar to work on this project and also for making the school facilities available for carrying out the study successfully.

(x)
ACKNOWLEDGEMENTS (continued)

Thanks are due to the Principals and Physical Education Teachers, Delhi Administration Schools, Delhi for permitting the investigator to select the school students as subjects for this study and also for all the cooperation extended by them.

Willing and enthusiastic cooperation extended by the students of Ninth and Tenth Classes of the Delhi Administration Schools, selected to serve as subjects for this study, is sincerely appreciated.

R.K.
