Acknowledgement

Writing a thesis of this kind is not simply an individual act; in fact I am indebted to many people who have made their significant contribution in the making of this study. First of all I extend my deep regards to my esteemed teacher, Prof. Mridula Mukherjee - the director of this act – for her honest and patience guidance and flexible cooperation. This work is unthinkable without her contribution. Since I joined as a student of the Centre she has influenced my thought and belief in a lot of ways. Her motherly affection has become a major source of inspiration for me to get this piece of work completed in time. I feel fortunate to become a student of a scholar of her stature. She would remain in my heart till the last moment of my life.

I am sincerely thankful to Dr. Sucheta Mahajan for kindly going through my drafts and making valuable comments and suggestions.

I would like to take the opportunity to thank Prof. Aditya Mukherjee, Chairperson, Centre for Historical Studies Prof. Bhagban Josh, Prof. Dilbagh Singh, Dr. Bodh Prakash (Delhi University), and other faculty members of our Centre for their encouragement and support in course of my research work.

My family has been the foundation of all my career pursuits that I have undertaken so far. They have provided me all kind of support in each and every stage of my academic endeavor. Words are too poor to express my indebtedness to my family. I extend my thanks to our family-relatives and in-laws for their moral support.

I would also like to thank my friends Binay, Monalisa, Ajaya, Pritam, Bimal, Bikram, Sumanta, Nivedita, Baboo, Bijay, Kalikinkar, Harisankar, Ritu, Pawan, Sonu, Tulsi, Rati, Amarendra, Amit Mishra, Mrutyunjay, Jayashree, Ajay, Basanta Bhai, Rama Bhai, Srikanth Bhai and Madhusmita, who have always extended their
cooperation and boosted my spirits. Most importantly, I will always remember the invaluable contribution of Fakir, who not only encouraged but also rendered his timely help to me whenever I needed.

It is Lata, my wife and friend who encouraged me in a lot of ways to bring this work to fruition. She persuaded such a lazy person like me to stick to deadlines. My little son Rahul, proved to be a source of inspiration for me to complete this work in time.

I would also like to thank the staff of Orissa States Archives, Bhubaneswar; National Archives of India, New Delhi; Nehru Memorial Museum and Library, New Delhi; Hare Krushna Mahatab State Library, Bhubaneswar; Indian Council of Historical Research Library, New Delhi; Central Secretariat Library, New Delhi; Jawaharlal Nehru University Central Library, New Delhi; DSA Library (Centre for Historical Studies, JNU) and Sahitya Kala Academy Library, New Delhi, for their support and flexible cooperation.

I would also like to thank Ms Sashi Kapoor, Mr. Dharmandar and Vinod for their encouragement as well as timely help in various official works in our center.

I wish to convey my thanks to Nehru Memorial Fund for providing me a scholarship to pursue my Ph.D. programme.

However, I remain solely responsible for all the inadequacies in this thesis.
