ACKNOWLEDGEMENTS

In the first place, I wish to express my deep sense of gratitude to my guide Dr. M. Rami Reddy, for his inspiring guidance, constant encouragement and affectionate care throughout the progress of this research work, without whose help this work could not have taken this shape.

I sincerely acknowledge my gratitude to Prof. N. Veeraiah, HOD, Department of Physics, Acharya Nagarjuna University for his constant encouragement all throughout the course of this work.

It gives me immense pleasure to record my sincere thanks to the faculty members of the Department of Physics, Prof. D. Krishna Rao, Prof. S. Sreehari Sastry, Dr. R.V.S.S.N.Ravi Kumar, Dr. Sandhya Cole, Dr. Ch. Linga Raju and Dr. S. Sivarama Krishna for their constructive suggestions.

I am equally grateful to Prof. D.A.R. Subrahmanyan, Principal, Mahathama Gandhi College, Guntur for his constant encouragement.

I place on record my sincere thanks to my co-scholars T.G.V.Mallikharjuna Rao, K. Neeraja for their valuable inputs in the work.

I also thank all the co-scholars of the Department, Smt. J. Lakshmi Kumari, J. Santhan Kumar, Ch. Ramakrishna, G. Gowrisanker, P. Ramesh Babu for their cooperation.
My sincere thanks to the University Grants Commission of India, for the financial support received in the form of JRF in the research project.

I express my sincere gratitude to my father Sri A. Veeraiah, my aunt Smt. V. Jagannadeswary, brother in law Mr. V. Chandrasekhar, my sister Smt. D. Swapna, my friend Mr. I. Aparesh Babu encouraged me and supported me to go as far as I want to up the educational ladder. This is some thing I shall always be grateful to them.

I am thankful to my sisters A. Radhika, Smt. T. Kiranmai; brother in law T. Rajyavardhana Rao for their encouragement, support and affection throughout my research work.

I owe special gratitude to my beloved wife Rajani Sowjanya for tolerating my silliness and encouraging me to complete the work. I would like to acknowledge the presence of my cute little daughter Aaradhya who is the reason behind my every positivity in spite of all the odds.

I whole heartedly thank to my teachers who encouraged me in my entire education.

Last but not least I express my sense of gratitude to my friends B. Rjasekhar, V. VenuGopal, B. RamanaRanjan, B. Krishna Reddy, B. Venkateswara Rao for their continuous encouragement during this course.
The help extended by all the non-teaching members of the Physics Department, A.N.U. Campus is greatly acknowledged.

Finally I thank one and all who helped me in one way or the other during the course of the present investigation.
