ACKNOWLEDGEMENTS

Gratitude can never be expressed in words, but I do not have any other mean of doing so. The conceptualization of this work and its metamorphosis into reality has been a long journey. I thank the almighty and express gratitude to all the people who paved the path with me.

With profound regards, I extend my sincere gratitude to my guide Dr. Vimal Kumar Kanungo, Asstt. Professor, Government Science College, Raipur (C.G.) for his enthusiastic and helpful guidance right from inception to completion of this work throughout the course of the study. He has been a motivating force, inspiring me to complete the project in the best possible way.

It is my proud privilege to record my deep gratitude to my revered teacher and Co-supervisor Prof. M.L. Naik, Professor, SOS in Life Sciences, Pt. Ravishankar Shukla University, Raipur (C.G.) for his constant motivation, valuable guidance, timely advice and his critical supervision of this work, without which this could not have taken the present shape. His encouragement, keen interest and sympathetic attitude have been an unfailing source of inspiration to me. The compilation of this thesis is the out come of his constant encouragement and blessing bestowed on me.

I tender my most cordial and appreciative thanks to Prof. Vibhuti Rai, Head, School of Studies in Life Sciences, Pt. Ravishankar Shukla University, Raipur (C.G.) not only for his constant encouragement but also permitting me to use the departmental facilities.

I also offer my heartfelt thanks to Prof. S.K. Mishra and Dr. (Mrs.) Vijaya Koohe for their advice in shaping my work and providing laboratory facilities.

I feel immense pleasure in recording sincere thank and deep gratitude to Prof. A.K. Pati, Dr. S.C. Naithani, Dr. A.K. Gupta, Dr. R.K. Pradhan, Dr. S.K. Jadhav, Dr. (Mrs.) Aditi Poddar, Dr. (Mrs.) Arti Chandravanshi, Dr. K.K. Sahu and Dr. Amiya Tirkey for their encouragement and moral support during the tenure of my work.

I owe special debt to express my overwhelming sense of gratitude and regards to Dr. (Mrs.) Sanju Sinha, Principal Investigator, SOS in Life Sciences, Pt. Ravishankar Shukla University, Raipur for her valuable advice and all possible help extended to me throughout the period of this work.

I have much pleasure in expressing my cordial thanks to all office staff of SOS in Life Sciences & Pt. Sunderlal Sharma library for their assistance and required help with regard to completion of this work.
I am also thankful to all my seniors Dr. Arvind Agrawal, Dr. Afaque Quraishi, Dr. Bobby Verghese, Dr. Vandana Dixit, Mr. Meetul Kumar, Dr. Neetu Harmukh & Ms. Garima Gupta for their uninhibited help and support all through the period of my work. Heartfelt thanks are also due to my lab-mates Dr. Krishna Kumar Patel, Mrs. Radhika Sampat, Mrs. Rachana Choudhary, Mrs. Kritika Namdeo and Mr. Ravindra Sirmour.

I am greatly indebted to my friends for their love, support, encouragement and appreciation to keep me on the path of truth and reach my destination, all the time. It will be difficult to acknowledge the ever willing and cheerful help of my numerous well wishers, individually. I am indeed thankful to all of them. A special note of thanks to Dr. Kavita Agrawal, Ms. Jaya Baid, Ms. Chitragada Mohanty & Ms. Anita Sharma.

I am highly grateful to all the other research scholars of the School of Studies in Life Sciences, Pt. Ravishankar Shukla University, Raipur for their help during the tenure of my research work.

The helping hands and the warm smiling countenance of my affectionate hostel mates always assured me that they will prevent me from foundering at tiring times. They genuinely deserve my special appreciation and thanks.

This thesis is dedicated to my beloved father Mr. S.C. Das who had made me what I am today. Constant encouragement and continuous inspiration from my family members were always there to dispel my anxious moments during the course of the thesis, without which the thesis would not have taken its shape especially my mother Mrs. Kusum Das and Maternal Uncle Mr. Ramesh Joshi.

Lastly, I wish to apologize for any inadvertent omission of the names of persons who had helped me in one way or the other.

Nothing is possible without the blessings of GOD, which I always felt very close to me.
