ACKNOWLEDGEMENTS

I have received generous help from many quarters in preparing this thesis. It gives me great pleasure to acknowledge them and I avail myself of this opportunity to put them on record. With great respect and devotion I place on record my deep sense of gratitude to my supervising guide Dr. G. Antony, Reader, School of Management Studies, Cochin University of Science and Technology for his inspiring guidance, whole-hearted co-operation and constructive criticisms. Without his patience and generous help this work would not have been materialised in the present form. I am extremely grateful to Dr. K.C. Sankaranarayanan, Professor and Head of the Department of Applied Economics, Cochin University of Science and Technology, for his valuable help at all stages of my work.

I express my sincere thanks to Dr. Jose T. Payyappilly, Professor, School of Management Studies, Cochin University of Science and Technology, for his constructive suggestions and encouragement during the course of this study.

I owe a lot to Dr. C.A. Antony, Lecturer, N.C. College, Alappuzha, for his timely help at every stage of my thesis work.

I take this opportunity to acknowledge with thanks for the help received from Sri. Geoji and Dr. Sunny George in data processing.

I extend my sincere thanks to Miss. Elizabeth Abraham, Librarian, Department of Applied Economics, Cochin University of Science and Technology, for the sincere help and co-operation. Thanks are also due to the office staff at the Department of Applied Economics, for their immense help during the course of my research work.

Finally, I am very glad to remember the services rendered by WC Computer Services for typing the work correctly and neatly, especially the assistance and co-operation of Sri. Alexander Mathew, Sri. Gypson Augustine, Sri. Saji Paul, Miss Uma, Miss. Saji, Miss. Dore, Miss. Ramlath and Miss. Lalita.
