I deem it a matter of great pleasure in expressing profound and heartfelt gratitude and indebtedness to my esteemed guide Dr. G. S. Pandey, Reader, School of Studies in Chemistry, Pt. Ravishankar Shukla University, Raipur, for his valuable guidance, unsparing and ever available help throughout the course of this endeavour, and thereby making it possible for me to complete the research studies. I am further grateful to him for having accompanied me to Indore for my participation in the Science Congress Session.

I express my sincere gratefulness to my former Head of the Department Professor S. G. Tandon, and the present Head of the Department Professor R. K. Mishra, for providing laboratory facilities, and for their encouragement during the course of the research work.

I express my sincere gratefulness to Madhya Pradesh Council of Science and Technology, Bhopal for providing financial assistance during the initial stages of the research studies, and to the Council of Scientific and Industrial Research (New Delhi) for awarding a Senior Research Fellowship.

I am thankful to the Director, NIEHRI (Rajpur) for providing facility for library consultations, and to M/S. New Delhi, for supplying the reference materials.
I express my sincere thanks to Dr.S.S.Dave, Director, Department of Mining and Geology, Raipur, for providing the facility of atomic absorption measurements, and to Dr.V.K. Jain, Chief Analyst of the same department for his help during the AAS measurements.

I am unable to find appropriate words to express my heartfelt sentiments for my parents Shri A.K.Loomba and Smt. Vijaylakshmi Loomba whose blessings and inspirations were greatly instrumental in accomplishing this work. I am also thankful to my sisters Reetika and Preetika for their cheers and help.

I am highly thankful to Shri K.N.Dinesh for his painstaking effort during the typing of the thesis.

My special thanks are due to my colleagues Dr.Jayant Kumar Moitra, Dr.Geeta Jallan, Dr.(Mrs) Nandita Moitra, Dr. Shamsh Pervez, Namrata Shukla, Anita Savant, Chandra Sagar Agrawal and Yasmeen Qureshi for their help and cooperation during the research work.
