It gives me immense pleasure to offer my deep sense of gratitude and indebtedness to Prof. M. ELYAS, Head, Department of Physics, Govt. Science College, Raipur (M.P), for his valuable guidance, untiring inspiration and constant encouragement during the course of investigation.

I feel great pleasure in expressing my sincere gratitude to Dr. B.P. CHANDRA, Professor, Department of Post Graduate studies and Research in Physics, Rani Durgavati Vishwavidyalaya, Jabalpur for his close co-operation, encouragement and help to solve various difficulties from time to time.

I am extremely greatful to Dr. P.C. KAMARA, Principal, Govt. Science College, Raipur for providing the necessary experimental facilities and encouragement throughout the period of my work.

I am greatful to Dr. J.N. DESAI, Dr. N.M. ASHOK, Dr. SINGHVI, Dr. XIKARIA (scientists), Physical Research Laboratory, Ahmedabad for providing facilities for some experimental work. Thanks are also due to Sam Ragland (Research Scholar) for his help in taking observations at various stages.

I am also greatful to Dr. K. NARAYANAN, (Scientist), Central Electrochemical Research Institute, T.N., for
providing facilities for some experimental work.

I am grateful to Miss Jagjeet Kaur, Asstt. Prof. Department of Physics, Science College Raipur for her suggestions from time to time.

I would also like to thank Mr. Lucas Paul, workshop technician, and other workers for his help in fabricating the instruments.

I would like to thank the Madhya Pradesh Council of Science and Technology for awarding me TRF fellowship during the tenure of this research project.

Thanks are also due to Shri C.L. Sahu who has taken a great pain in drawing the diagrams.

I find no words to express my abiding gratitude to my parents whose encouragement, sense of sacrifice & blessing proved to be of immense value in the successful completion my research work.
