Acknowledgements

I take this opportunity to thank all the people who have always helped me during my entire course of Ph.D. work. This thesis could never have been accomplished without the support and enthusiasm of my Ph.D. supervisor, Prof. D.G. Kuberkar. I express my deepest sense of gratitude to my supervisor for his decisive guidance, constructive criticism and constant encouragement since the beginning of my research career. He is and will always remain an idyllic person, directing my research path with sharpness, not only during the Ph.D. work but also in every phase of life. He is a never ending invariable resource of knowledge and a creative thinker in the frontiers of the research world. It is due to his enormous hard work, I am capable to express my knowledge in the form of Ph.D. thesis.

I express my sincere regards to Dr. Amit Roy, Dr. D. Kanjilal, Dr. K. Asokan, Dr. S. Chopra and Dr. Pravin Kumar, Inter University Accelerator Centre (IUAC), New Delhi for providing experimental facilities for this work. I am highly thankful to all scientists and staff members at IUAC for their continuous support and encouragement during my experimental work. I am extremely thankful to Dr. Ravi Kumar, NIT, Hamirpur for providing PLD facility and valuable suggestions. I am also thankful to Dr. Dinesh Kumar Shukla, Dr. Jitendra Pal Singh, Dr. Yogesh Kumar, Mr. Shammi Verma and Mr. K. Phanendra for help at IUAC, New Delhi. I acknowledge Dr. O.P. I am thankful to my colleague friends Dr. Uma Khachar and Ms. Megha Vagadia for their help and friendly support. I express my sincere thanks to my juniors Mr. Mukesh Keshvani, Ms. Priyanka Trivedi, Mr. Davit Dhruv, Mr. Savan Katba, Mr. Malay Udeshi, Ms. Sadaf Jethva, Mrs. Kruti Borkhatariya and Ms. Zalak Joshi. I am thankful to Mr. R.A. Desai, Mr. M.J. Meghpara, Mr. M.S. Suthar and Mr. R.M. Vaghela for their valuable technical help and support during the course of this work. It is a time to remember my dearest friends Mr. Kunal Patel, Mr. Dipen Patel and Mr. Vishal Unjiya and their families for moral support, hospitality and conductive environment during my entire career.

I owe my deepest gratitude to Mrs. Preeti D. Kuberkar and Ms. Madhura D. Kuberkar for nice hospitality and homely treatment during the course of Ph.D. work. Mrs. Preeti D. Kuberkar is specially appreciated for her kind temperament as a mother.

It is a great moment to remember my family for their valuable efforts for my career. My beloved parents Mr. Bhikhalal A. Ravalia and Mrs. Hemiben B. Ravalia are acknowledged from the bottom of my heart, without whom I would not have been to this stage. I also acknowledge my wife Mrs. Manisha Ravalia and my daughter Yatha for their love and affection which has been a source of motivation and shielding for me. I am obliged to my dearest brother Mr. Tarang B. Ravalia who has been a support during my entire career. My entire educational career is dedicated to my grandparents Late Shri. Arajnbhhai Ravalia and Sonaba A. Ravalia, my uncles Mr. Shivabhai, Mr. Nareshbhai and my aunt Ms. Sushilaben A. Ravalia, whose blesses brought me to this stage. Finally, I would like to express deep sense of gratefulness to all my teachers who have motivated me at different stages of my career.
