ACKNOWLEDGMENT

The visualization of this work would not come into existence as a reality without unbounded boons and blessings of God. So I would like to thank Almighty the foremost!!

It gives me immense pleasure to express my humble gratitude to lot of great people whose immeasurable cooperation, support, and motivation accompanied me and gave me strength to complete this work.

In the first place, I would like to express my profound and deep sense of reverence to my supervisor Dr Akhilesh Kumar Verma for his able guidance, advice, support, encouragement and untiring help during course of my Ph.D. His patience, enthusiasm, energetic attitude and views towards research created a perfect and amenable environment and positive disposition to endure my research work. His true scientific insights and enriched dynamic thoughts inspired me to mature as a better student and researcher. I am indebted to him more than he knows.

I gratefully acknowledge Professor S M S Chauhan, Head, Department of Chemistry, University of Delhi for providing the necessary laboratory facilities and a stimulating environment for research work. I would also like to acknowledge Professor Shrikant Kukreti and Dr. Mahendra Nath, the members of my Ph. D. advisory committee for devoting their precious time and making valuable and constructive suggestions which indeed helped to improve this thesis.

I would like to acknowledge the Council of Scientific and Industrial Research, New Delhi for the award of Junior Research Fellowship and Senior Research Fellowship to carry out the research work.

Presence of cooperative and supportive surrounding creates healthy working atmosphere. I am fortunate to be in such research group. I owe a special thanks to Dr. Jaspal Singh, my senior whose knowledge base and kind heart has given a rare position to him in my life. It gives me immense pleasure to convey my regards to my lab seniors Dr. V. Kast Sankar, Dr. Maryam Imam, Dr. Nagendra Kaushik and Dr. Ritu Chaudhary.
for their constant support and encouragement which helped me to adjust in lab. I would like to acknowledge my colleagues and labmates Vineeta Rustagi, Megha Joshi, Trapti Aggarwal, Rajeev Ranjan Jha, Abhinandan Danodia, Kotla Siva Kumar Reddy, Monika Patel, Sonu Kumar, Deepak Chaudhary, Sandeep Munwal and Rakesh for their sincere cooperation. I thank them all for their patience, endless help, lively discussions and advice.

I would also like to extend my thanks to Dr. Rakesh K. Tiwari (Department of Biomedical & Pharmaceutical Sciences, University of Rhode Island) for HRMS data. I am immensely grateful to USIC, University of Delhi for providing instrumentation facilities (NMR, XRD, HRMS & IR). I must also thank members of all teaching, non-teaching and official staff of Department of Chemistry for their indispensable help whenever needed.

Merely a word of thanks is very small to acknowledge Dr. Satyen Saha, who inspired me to become a mature student and better researcher. I am and will be indebted throughout my life for his whole hearted support in my difficulties. He inspires me in day to day life.

Many thanks go to my friends Dr. Mithilesh K. Mishra, Dr. Ved Prakash Singh, Anand K. Mishra, Radheraman Singh, Makam Parmeshwar, Nitin Srivastava, Madhulata Shukla, Dr. Amresh Prakash, C. B. Mishra, J. B. Senthil Kumar, Nitin Vishnoi, Dheeraj Kumar, Dr. Manoj Trivedi, Alok Ranjan, Madhusudan Reddy, Ramesh K. and V. Guru Raja for their constant and endless moral support and encouragement.

I am extremely fortunate to have been a student of excellent teachers and would like to thank Dr. Jaiprakash Rao, Dr B. M. Prasad and Dr. Vinay Singh for paving my path in Chemistry.

I would not be in the place where I am today without my family. I extremely grateful and profoundly thankful to my Grandfather Late Mr. Jagdish Shukla whose endless affection and positive approach towards life has always inspired me and given me strength. I am highly indebted and grateful to my parents Mrs Shakuntala Shukla and Mr. Shrish. Nandan Shukla for their endless & firm moral support, encouragement and uncountable blessings they have showered on me over the years.
They have always been there with me at every step of my life being incredibly affectionate and patient. I fall short of words and felt impossible to describe their support in words. I am also thankful to my loving Brother Vishwa Prakash Shukla being strength for me and for sharing my happiness and at the same time listen to my woes and worries.

I would also like to pay my tributes and convey my regards to my Jija Ji and role model Dr. Satya Prakash Pandey, to my Didi Jaishree Pandey, my nephew Tejas Pandey, my Jija Ji Pavitra K. Tiwari and my Didi Vibha Tiwari for their constant and endless moral support, encouragement and love.

I must thank all those whom I have failed to mention specifically and personally but they have helped me in various ways during the course of this work.

Thank you so much everyone for making this happen...!!!!

(Satya Prakash Shukla)
