ACKNOWLEDGEMENTS

The research work is most precious job to undergo and will remain memorable moments of life. The effort past is mine but vitality or inspiration is of others who are closely related. The subject which is dealt for thesis is dry and unpleasant but with the heartiest companionship it became delightful.

I will remain indebted and highly grateful for my supervisor and guide DR. H.K.PATHAK, Professor and Head, Department of Mathematics, Kalyan Mahavidyalaya, Bhilai Nagar, Dury (M.P), for his homely interaction, calm and quiet direction and ever availability throughout Ph.D. work. During the tenure of this project, the Department of Mathematics provided library facilities and other assistance for which I am grateful to the Principal Shri. T.S.Thakur and also to other colleagues of Mathematics department.

I am specially thankful to Dr.K.Lal, Department of Mathematics, Banaras Hindu University, Dr.S.L.Singh, Gurukul Kangri University, Hardwar, Dr.A.H.Siddiqi and

(Contd...)
Dr. Z.U. Ahamed, Department of Mathematics, Aligarh Muslim University, Aligarh for their valuable suggestions and encouragement during the progress of my research project.

I would like to express my sincere thanks to Prof. S. Park, Department of Mathematics, Seoul National University, Korea for worthwhile suggestions and guidance during my work.

I am also thankful to University Grants Commission, New Delhi for supporting our work by rendering assistance to the centre of my work i.e. Kalyan Mahavidyalaya, Bhilai Nagar.

The basic environment and inspiration, assistance extended by my Father, Mother and elder sister Dr. Ranjana who actually initiated the work. The memorable and brotherly help given by Shyam Sharma remains unforgettable. My younger brothers Ramesh, Rajni Kant and Satya Prakash helped very much in getting the preliminaries and final typing work without any complaint.

Finally, I express my thanks to Mr. Reji Varghese who patiently typed the manuscript in time.
