ACKNOWLEDGEMENTS

I would like to express my very great appreciation and gratitude to my research supervisor Prof. K. Sreenivas for his innumerable, valuable and constructive suggestions during this research work. Your willingness to give your time so generously is greatly appreciated. It’s a privilege and honor working with you, Sir.

I would like to extend my cordial thanks to Prof. R. P. Tandon (Head of the Department of Physics and Astrophysics) for providing the necessary facilities to carry out my research work.

I express my gratitude to my research advisory committee members Prof. Vinay Gupta and Dr. Poonam Silotia for their valuable suggestions.

I warmly thank Prof. Vinay Gupta for showing keen interest in my work, constant guidance and motivation throughout the course of the work.

I would also like to thank Dr. Ajay Arora, Dr. S. P. Singh, Dr. Sudhi Sant, Dr. Arijit Chowdhuri and Dr. Monika Tomar for their help and support during the research work.

I would also like to acknowledge the technical support of the staff members of University Science Instrumentation Center (USIC), Physics Department and workshop - Mr. R. P. Mittal, Mr. Harsh Kumar, Mr. Rahul, Mr. Bora, Mr. Saxena, and Mr. Sandeep.

I would also like to acknowledge the financial assistance offered to me by Council of Scientific and Industrial Research(CSIR) during the research work.

I would like to acknowledge the contribution of my friends and colleagues Shivani, Amit, Bhasker, Divya, Maya, Rashmi, Anita, Shibu, P L Meena, Manish, Anjali, Kajal, Manisha, Surbhi, Kashima, Akshita, Lalita, Archana. They have always created a friendly atmosphere and extended all possible help during my research work.

Apart from the efforts of oneself, the success of any project depends largely on the encouragement and guidelines of friends and family members.

My acknowledgement won’t be complete without my special friends -Nitin and Arpan who were very caring and loving through these wonderful years and made this journey very pleasant and easy.

My special acknowledgement goes to my sister, Vinita, for her love and support that has been essential for me all these years.

It’s my pleasure to express my deepest gratitude to my parents and grandmother. Their love, support and belief in me are a source of strength always.

My final words of thanks will be for my God who taught me so many aspects of life by giving both good and bad experiences and consequences during this period, hopefully, they will be remembered always and helpful for rest of my life.
