ACKNOWLEDGEMENTS

Honestly, I am very much auspicious to work under Professor H. Niranjana Murthy, who himself is an ideal for others with his continuous efforts towards the research in science. First of all, I am very much thankful to my research supervisor Professor H. Niranjana Murthy, who has given me an opportunity to work under his precious guidance for the present research topic which has taught so many lessons to me either personally or professionally.

I am especially thankful to my in-charge research supervisor Professor T. C. Taranath for their valuable guidance. I am very much fortunate to work under him, who have helped me and supported a lot for my research work.

I am very much thankful to Professor T. C. Taranath Chairman of P. G. Department of Studies in Botany, Prof. Ch. Ramesh, Prof. H. C. Lakshman former Chairman of P. G. Department of Studies in Botany, for providing research facilities. Also I thank Prof. G. R. Hegde, Prof. M. Jayaraj, Dr. G. S. Mulagund, Dr. D. Tangadurai Dr. S. N. Agadi and Dr. Shrinivas for their guidance during my tenure. Also I thank the doctoral committee members for their inputs.

I extend my special thanks to Mr. Ramesh Babu of KIMS has helped in providing the radiation facilities to carry out my research work without which I would never have completed my studies. Also to Dr. Jayaprakash Naik (RARS Pillicode, Kasargode, Kerala), Dr. John Joseph (NBPGR KAU, Thrissur, Kerala), Pramod Kulkarni (M.Sc. KAU, Thrissur, Kerala), madam Rani Prakash (KVK, Palakkad, Kerala) and Reena Roy (Lecturer in Kuvempu University, Shimoga) for their kind help and support during germplasm collection from Kerala state. I am indebted to Prof. Venugopal and Prof. B. A. Patil, University of Agricultural Sciences, Dharwad for
providing land to raise my experiments plants without which I would never complete my research experiments.

I would like to thank all my lab colleague namely, Dr. Nayeem Abdul, Dr. Praveen N, Dr. Jayasudha Bhat, Dr. Poornananda Naik, Dr. Manohar SH, Dr. Manoj Godbole, Dr. Vijayalaxmi Dandin, Shajan Karikatti, Lalita Patil, Shivanand P, Aditya L, Smita S, Abhishek M, and Joseph KS for their kind help and support during my tenure. Also, I am thankful to non-teaching staff, especially to Mr. V. N. Bhat for his extended help in day to day activities and attenders of the P.G. Department of Studies in Botany. Also I am thankful to the research scholars of this department who have helped me during my stay in this department in most of the situations. During my Ph.D. course, the financial assistance was provided by UGC under the scheme RFSMS. I am very much thankful to UGC.

I am thankful to my family members who supported me in completing my studies. Much of thanks to all my friends, Anita Shettar, madam Jayashree Bagewadi And K. Premlatha, Subhas Madiwalar, Manjunath Ghatte, Somshekhar Annigeri, Rajashree Hudlur, Amrapalli Rajput, Pushpa Kavatagi, Rijwana Begum, Vaishali Warkar, Smita Jakkalannavar, Shoba Nandihalli, Vanajakshi, Krishna, Balesh Mastivali, Laxmi Jadhav, Nasareen, Chaitra.

Finally, I thank the almighty for his blessings in each and every step of my life.

Sunita P. Koli
