ACKNOWLEDGEMENTS

I am extremely grateful to the following people and institutions for the help received while writing this thesis:

- Prof. R.P. Singh, for guiding my work and constant support in everything and being cooperative all the time; also just for being my Indian family;
- ICCR, for the great opportunity to taste of richness of Indian culture and to get many wonderful friends and financial support for the whole period of my study;
- Faculty members, of the Center for Philosophy for making valuable suggestions on my work;
- My home University and supervisor, for access to unique materials for my thesis;
- The library, National Institute of Educational Planning and Administration;
- The library, Institute of Value-Oriented Education;
- The library, Jawaharlal Nehru University;
- My Dad and Mom, for their love and constant praying for my wellbeing while I am far away; my brothers and sisters for their love, support and help;
- My husband, for his love, extended care, understanding and supporting all my undertakings related to my study; my little
daughter for her greatest love which gave me a lot of
strength to complete my thesis;

- My dear friends, Indira, Nadira and Ainura, for all kinds of
  support and help;

- Scholars of the Center, Nazgul, Zainura, Prashant, Alika,
  Shika, Vidjay and Vidju, for their kind, helpful, supportive
  and friendly attitude towards me.
