AKNOWLEDGEMENT

Many people and experiences have shaped my thinking over the years. In this respect, it is honest and accurate to say that the work on this topic began a long time ago. During my teaching days, I have been profited immensely from working with many distinguished teachers and professionals.

I also thank Sandeep and Deepali Patil, Vanquish Infonet, Pune in developing the website.
I wish to express my love and gratitude to Late Dr. Santoshkumar Gawande, for his catalytic and moral encouragement.

I’ve enjoyed working these years as it has given me an opportunity to remember how meaningful each person’s contribution has been, few to mention are Vijaya, Shashikant, Mrudula and Kishori.

Each person named here made an important difference – Narendra, Manjiri, Shirish and Aparna, during the course of my work.

My parents Mrs. Kumudini and Mr. Vasantrao Dhotre gave to me the love, support, education and skill that enabled me to do this work.

Finally, my sincere thanks go to my Father and Mother-in-law, Mr. Prabhakarrao and Mrs. Sunanda Kaware respectively for their continuous support, love, patience and understanding which made this work a comfortable experience.

My daughters Radhika and Kalyani took keen interest in my work. I thank them for their support in a many unspoken ways.
