PUBLICATION ARISES FROM THIS THESIS

Research papers published (International & National)

Research papers communicated (International)

- **John J Georrge** and Valentina Umrania, Proteome Mining of Selected Pathogens to Identify Novel Bacteriocins, *Chemical Biology & Drug Designing* (For Revision). (IF: 2.527)

Research paper/Poster presented (International)

• John J Georrge and Valentina Umrania, A novel approach for identification of potential drug targets and its lead compounds for selected MDR human pathogens, *International Conference on Genomic Sciences* (November 12 – 14, 2010) at Madurai Kamaraj University, Madurai, Tamil Nadu, India. **Awarded as Best poster**
