ACKNOWLEDGEMENTS

I was lucky to have been associated with Dr. J. P. Budhuley, Reader in Physical Chemistry, Department of Chemistry, Goa University for my Ph. D. studies. Without his keen interest, encouragement and valuable guidance, this thesis would not have been possible. I wish to express my sincere thanks to my teacher Dr. J. P. Budhuley.

I take this opportunity to thank Dr. J. B. Fernandes (Goa University) for his constant encouragement in his typical style, Dr. P. K. Dhanawadkar (BARC, Bombay), Dr. G. N. Nauti (Poona University), Dr. R. N. Phirnal (Goa University) for their valuable and timely assistance and discussions. Also my special thanks are due to Prof. K. E. Patil for making my stay in Bangalore comfortable. I am thankful to Prof. B. R. Navinale and Prof. A. K. M. Baddalingaiah (Kannataka University) for readily extending to me the necessary instrumental facilities. Dr. B. M. Kurian, Deputy Director, Explosive Research and Development Laboratory, Govt. of India, Pune deserves special thanks for furnishing some valuable data of my samples.

I also wish to thank,

i) Dr. N. V. Ballikan, for his kind co-operation,

ii) Prof. B. R. Rayhan, for his personal interest in my work,

iii) Prof. J. E. Cabral, for getting the infrared spectra of my samples,

iv) my friends Vasant and Prashant for patiently typing my thesis.
I was provided with the laboratory facilities by the following institutions and I wish to express my gratitude to them.

i) Bhabha Atomic Research Centre, Bombay.

ii) Karnataka University, Dharwad.

iii) Indian Institute of Science, Bangalore.

iv) Central Electrochemical Research Institute, CEERI, Karaikudi, T.N.

I am grateful to the members of the non-teaching staff of the Department of Chemistry, Goa University for extending all help towards this work. I will always have fond memories of my colleagues Padanand Kinde, Vidyadatt Yenekar and other project assistants, for their encouragement and constructive suggestions all through this work.

My parents have been a constant source of moral encouragement and I respectfully bow to them. My sisters and brothers especially Pushin were a constant source of help and goodwill. So also my cousin Manda Bai has been source of continual moral support. I thank my elder brother Paji for providing me the financial help and the moral encouragement too. Finally, I thank Mrs. Budhuley for her kind encouragement during my research work.
