LIST OF PLATES

Plate 1: Surface views of abaxial foliar epidermis of Rhizophoraceae.
Plate 2: Some stages in microsporogenesis.
Plate 3: Photomicrographs of pollen grains.
Plate 4: Ovule development in K. candel.
Plate 5: Embryogenesis of K. candel.
Plate 6: Megasporogenesis and embryogenesis of B. gymnorrhiza.
Plate 7: External morphology of some inland Rhizophoraceae. I.
Plate 8: External morphology of some inland Rhizophoraceae. II.
Plate 9: External morphology of some mangrove Rhizophoraceae.
