ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. A. H. Parulekar, M. Sc., Ph.D., F. M. A. S., F. N. A. Sc., Scientist and Head, Biological Oceanography Division, National Institute of Oceanography, Goa, for his able guidance, constant encouragement and constructive criticism during the entire course of the study, without which it would not have been possible for me to complete this work.

I am grateful to Dr. S. B. Kadrekar, Honourable Vice Chancellor, Konkan Krishi Vidyapeeth, Dapoli, for giving me the opportunity to carry out this work. I gratefully acknowledge Dr. B. N. Desai, Director, National Institute of Oceanography, Goa, for providing the necessary facilities and encouragements. I am extremely thankful to the Ex-Associate Dean, Dr. R.N. Sankollii and the present Associate Dean, Dr. P.C. Raje for their encouragement.

I am grateful to Dr. Z. A. Ansari, Scientist NIO, Goa, for inspiration, critically going through the manuscript and for valuable suggestions. I am thankful to Dr. Anil Chatterjee, Scientist, for encouragement and helpful suggestions. I wish to thank my colleagues and scientists of benthos laboratory, Dr. K.L. Bhat, Dr. C.U. Rivonkar, Shri B. S. Ingole and Shri R.A. Sreepada for their help rendered to me at various capacities during this period. I am thankful to Dr. X. N. Verlencar, Shri K. Venkat, Shri Vishwas Chavan, Shri R. Vijay Kumar, Dr. N Ramaiah and Shri Vishwanath Kulkarni for their help during this period.

I wish to thank Dr. Anil A.C., Scientist, NIO, for his help in computer work and helpful suggestions. It is my pleasure to acknowledge Dr. B. Biddanda, Shri V. V. Gopala Krishna, Dr. S. Raghukumar and Dr. C. L. Rodrigues for the constant encouragement and help rendered during the tenure of this study.
My sincere thanks are also due to Dr. N. B. Bhosale, Dr. U. Goswami, Dr. T. G. Jagtap and Dr. A. Ghosh for rendering help of their respective specialised fields and suggestions. I gratefully acknowledge Dr. Jayadev Babu, Professor, Sir Thyagaraj College, Madras for identifying the isopod parasite.

My thanks are also due to the Director, State Fisheries, Goa, for permitting me to work at the Brackishwater Fish Farm, Old Goa. I wish to convey my sincere thanks to the scientific staff Shri N. V. Verlekar and Mrs. Usha Desai of the farm, for the help rendered to me during this study. I am thankful to the fieldsmen Shri Devanand Lone and Shri Deevakar Kargaonkar for helping me during the sampling.

I wish to convey thanks to my colleagues Dr. S. Shenoy, Dr. D. R. Jalihal and Shri G. N. Kulkarni of College of Fisheries, Ratnagiri for the encouragement and valuable help. My thanks are also due to Dr. A. M Ranade, Dr. S. G. Belsare, Dr. V. R. Joshi, for the encouragement.

Thanks are also due to Shri M. P. Tapaswi, Mrs. S. H. Oka, Shri G. H. Sainekar and other Library staff of NIO for their help. I thank Shri H. D. Pung for his untiring efforts to draw the figures and Shri V. B. Date, Shri U. S. Sirsat and Shri Sheikh Ali Karim for photography. I am also thankful to Shri Mahesh Machamadkar and Shri Subhash Naroji of the Printing Section of NIO.

Parveen Rattan
