Acknowledgement

I express my deep feelings of gratitude to Dr. Mrs. M. V. Shiralkar, Head of the department of Home Science, Government Vidarbha Institute of Science and Humanities, for her valuable and dynamic guidance, suggestions and encouragement, during the course of completion of work.

I take the opportunity to express my deep sense of gratitude to Dr. S. Y. Kulkarni, Akola for his timely and valuable guidance in the completion of the work.

It is my immense pleasure to thank Dr. Sotikar, for providing me the facility of study leave, for conducting the work under FDP. I am thankful to Director Dr. H. T. Thorat for his co-operation in matter needed.

I am specially thankful to Mr. Srivastav, Mr. Jain, Dr. Yenkar, Ex-director B.C.U.D, Amravati University and Dr. K. Khamare for their kind co-operation.

I would like to express my thanks to Shri. Potdar, Librarian and members of the staff of the library of Amravati University, Amravati. Staff members of library of GVISH Amravati and members of staff from the central library of IIT Mumbai, who have provided me, useful published literature related to investigation.

I am utterly grateful to my colleagues, Prof. Smt. Deogaonkar, Dr. Smt. Deoskar, Mrs. Deshmukh, Dr. Mrs. Junghare, Dr. Mrs. Khandekar, Mrs. Kant and Mrs. Kitke and Smt. Mendhekar, all lecturers in the department of home-science, for their inspiration and encouragement to accomplish the work.

I would like to record appreciation of my gratitude to Dr. Mr. A. Deshmukh and Dr. K. Yawale for their help and inspiration in the present investigation.

It is my pleasure to set forth my words of gratitude to Dr. Mrs. P. N. Roodkar, Ex-Head, Department of Home-science, Amravati University, Dr. Mrs. A. Mane, Dean and head of Department of Home Science, Amravati University for their whole hearted support.
Dr. Mrs. S. Deshmukh has also supported me in this mission. My sincere thanks are due to her.

I am immensely indebted to express feelings of gratitude to Mr. and Mrs. Ambulkar for their inspiration and encouragement to complete the work.

I am also grateful to Anganwadi workers and helpers from all the three villages, for providing me necessary information and for their co-operation in the work.

I feel inadequacy of diction while expressing my immense gratitude to Late Mrs. Aruna Netanrao from village Yeota, for her whole hearted support and help in the hard work of construction and installation of model. Her family members have remained co-operative during the course of my work. My sincere thanks are due to them.

Vinod Khatade from village Diwankhed and Rajesh and Anita Bhongade and family members from village Songaon have helped me during the whole research process. My thanks are also due to them.

I would like to express my thanks to all the respondents from the selected villages and male members also helped me in the installation work, in spite of their busy schedule, they have spared sufficient time in providing information, attending demonstration and co-operating me in my work.

I am immensely indebted to express my feeling of gratitude to Ms. Anshuja, my sisters and their family members, my mother for their whole hearted support for my work.

I would like to express my feelings of gratitude to Mr. Kailas and Vijaya More and their family members for their help and cordial co-operation in finishing the work.

The words at my command are inadequate to convey my deep sense of appreciation to my husband Ram and sons Neesheed and Ninad as well as their friends for the love and strength of endurance.

Malli R. Saikwad
